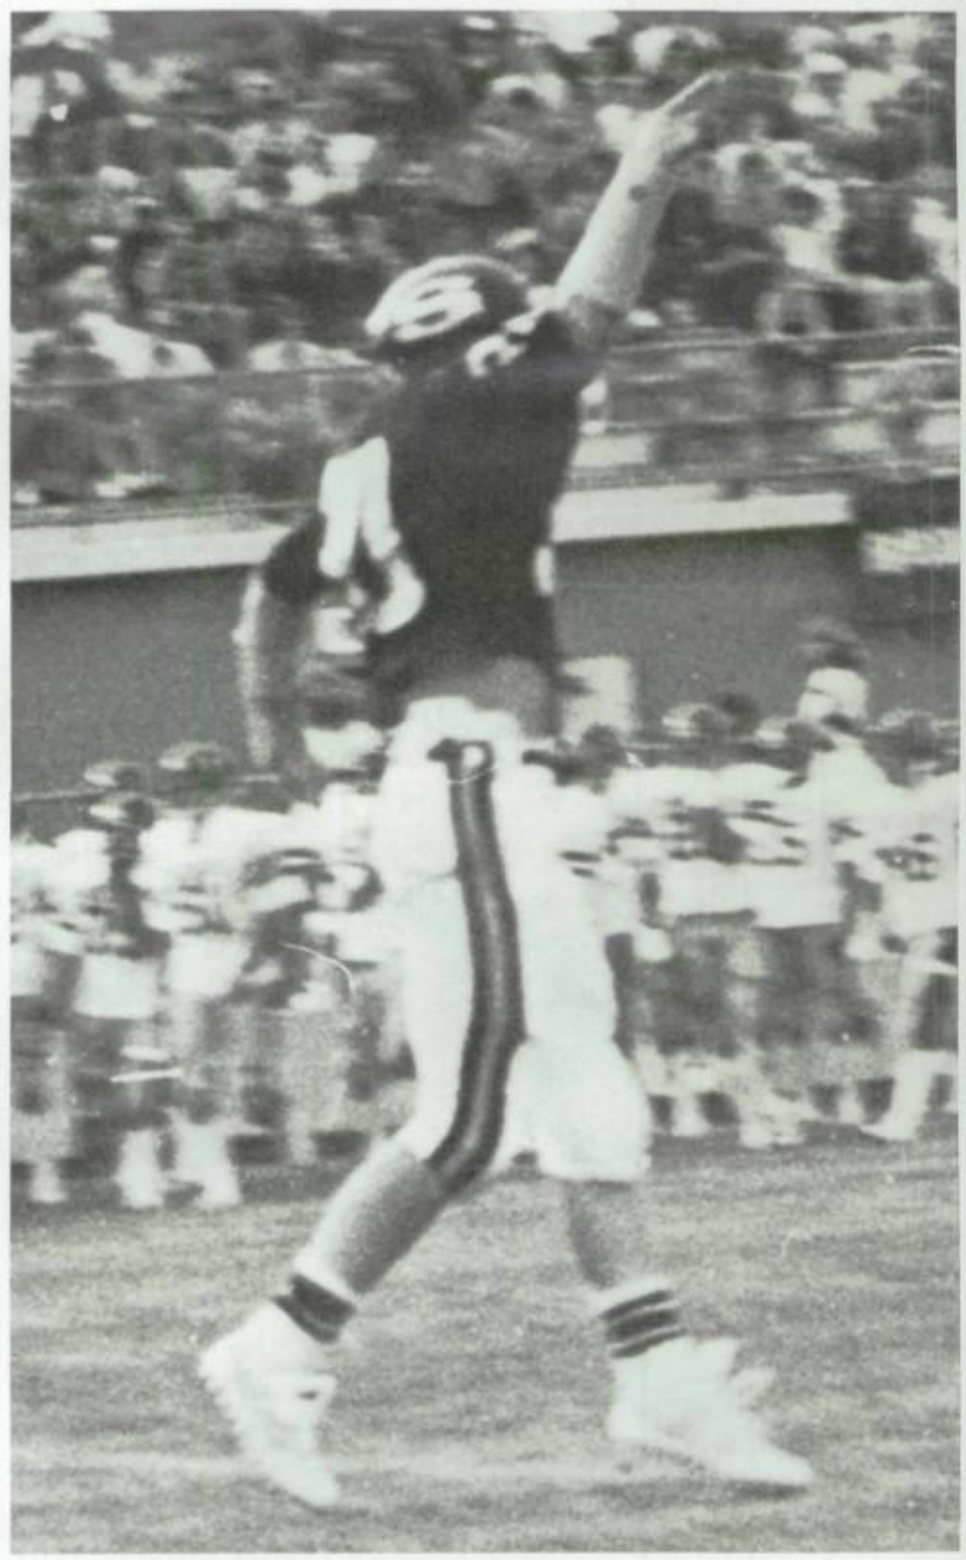
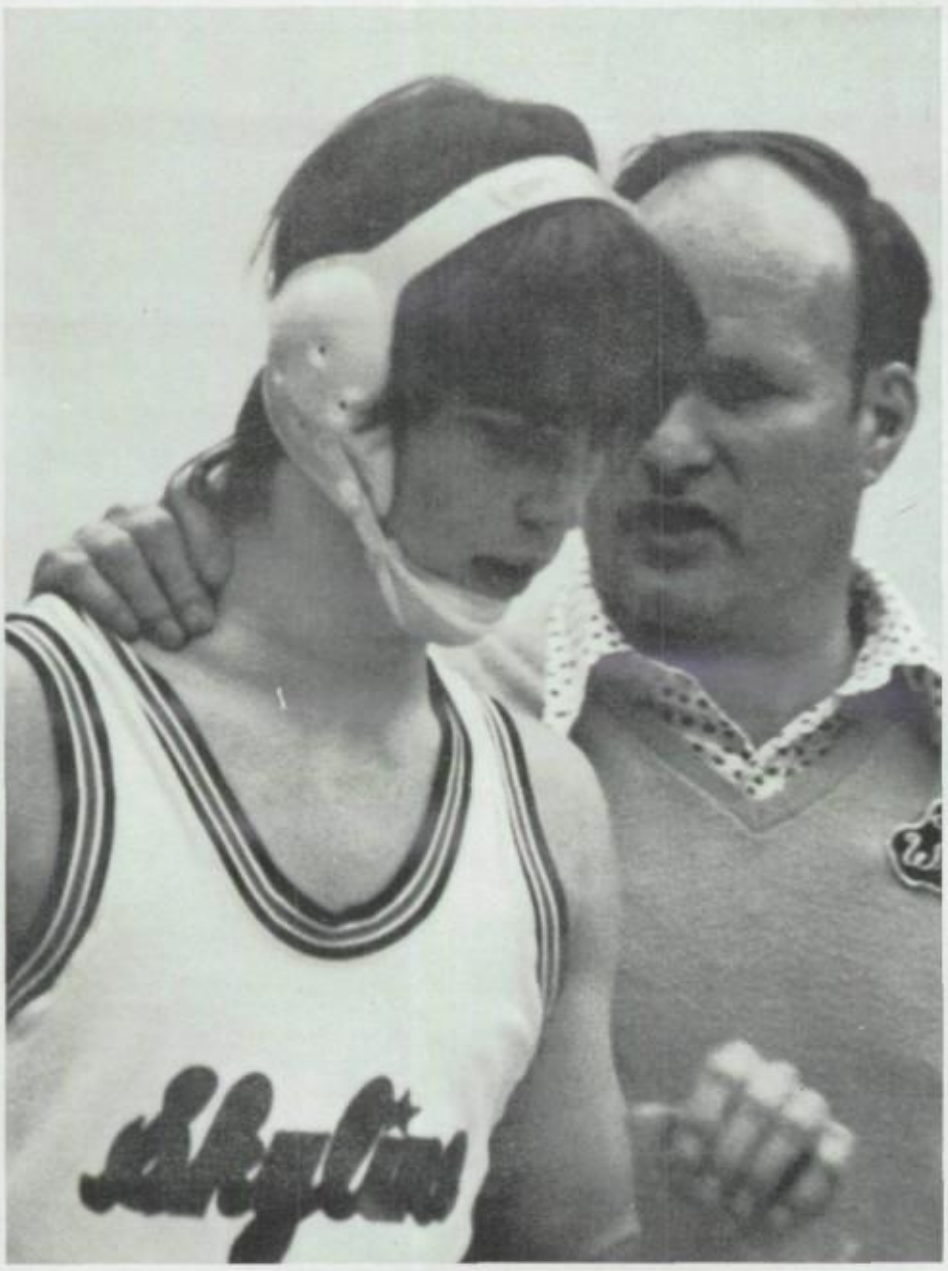
The times we've laughed,
The times we've shared;
The times we've spent
With those who cared.

Sophomores *Jennifer Crapo, Lisa Andrus* and, *Crystal Taylor* snuggle up during the Homecoming parade.
One group that always has "The Best of Times" is *Dyke Morris, Cody Claver, Dennis Owens, Ralph Stanton, Dave Bingham,* and *Richard Ziebarth*—The Jackson Five.
Taking a break to unwind are *Terry Groth, Cory McClellan, Tesha Hoover,* and *Jamie Tuel.*
Exiting through the "M" Door are *Brian Covert* and *Trudy Howells.*
Seniors *Melissa Stokes, Kathy Baird, Alison Poulter, Celeste Knight, Jackie Stosich, Jill Gardner, Heidi Hansen, Melissa Bowen, Leslie Park,* and *Wendy Miller* form a cirlcle of friends.

Whenever we're together,
Having fun or whatever;
The Best of Times
Will live on forever.



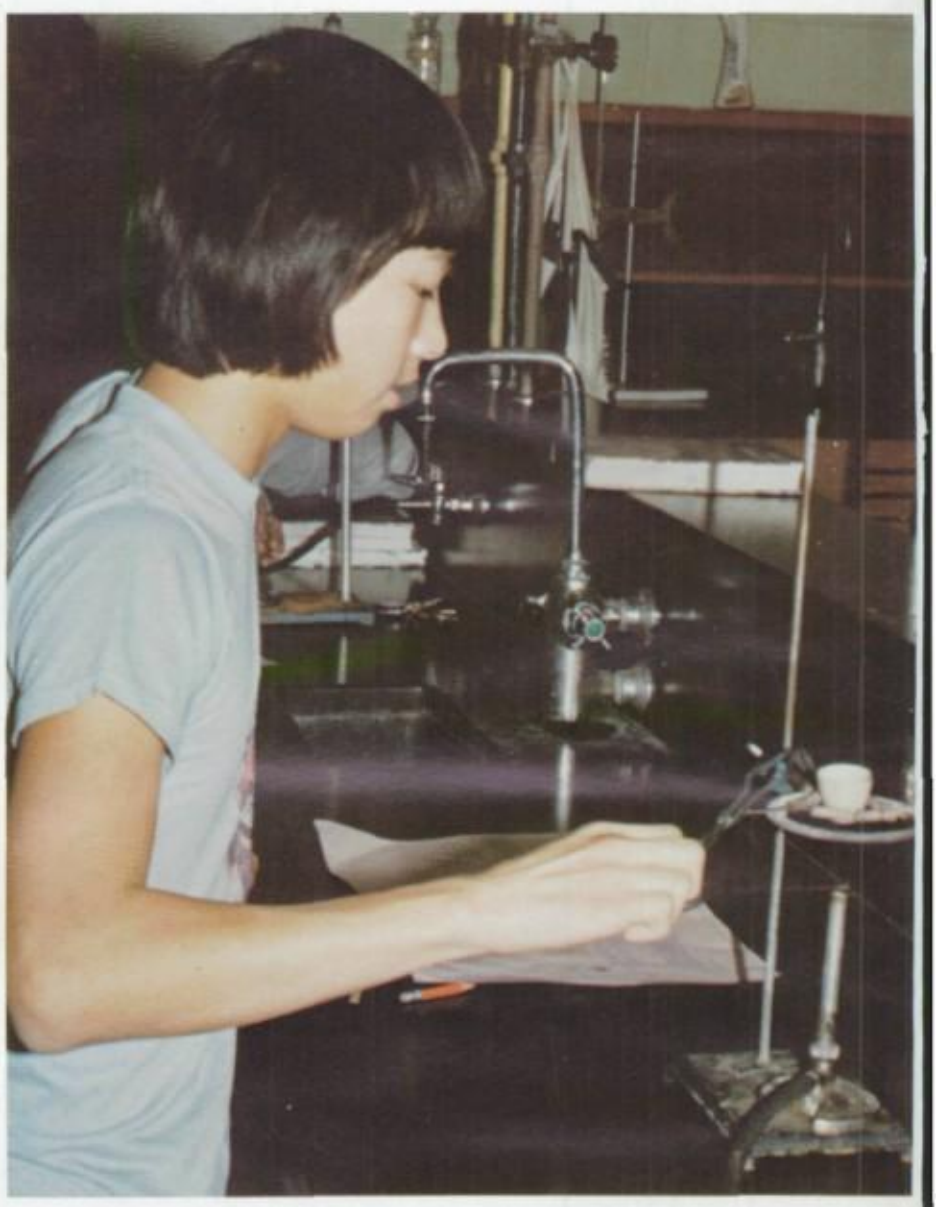
My years at Skyline
Have been better than ever;
The Best of Times—
May they live forever.



Memories will last a lifetime,
And mine will meet the test;
Come rain or come shine—
These times are the best.

Enjoying her time alone by reading is *Janet Thain.*
Displaying a keen interest in his studies is *Miles Carroll.*
Encouraging *Kyle Capps* to uphold Skyline's winning *tradition is Coach Floyd Young.*
Trying to catch her breath after running a race is *Becky Hall.*
As seen from the hall, Skyline's students attentively enjoy learning.
Showing grizzly spirit on the field is *Evan Nelson.*
During the last few minutes of her school day, *Heidi Wheeler* prepares to go home.

A time to learn,
A time for a test;
Striving for knowledge—
We'll give it our best.



Hoping to perfect their skills of typing are *Patti Carlile* and *Fred Henderson.*

Conducting an important scientific experiment is *Frank Ng.*

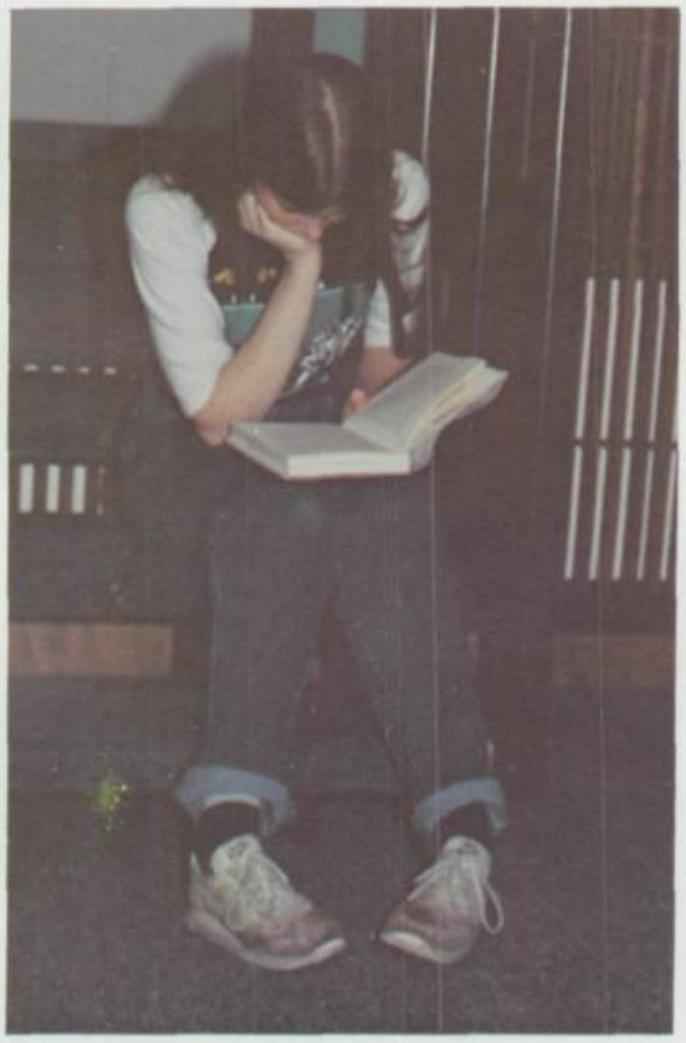
By giving an oral report in American history class, *Mikki Freeman* gains valuable experinece in public speaking.

Two Skyline pianists, *AnnJanette Fullmer* and *Christine Rigby*, share their talents by providing the accompaniment for "The Sound of Music."

Finding time to finish their homework are *John Taylor, Tracy Hagen, David Hale,* and other Skyline students.

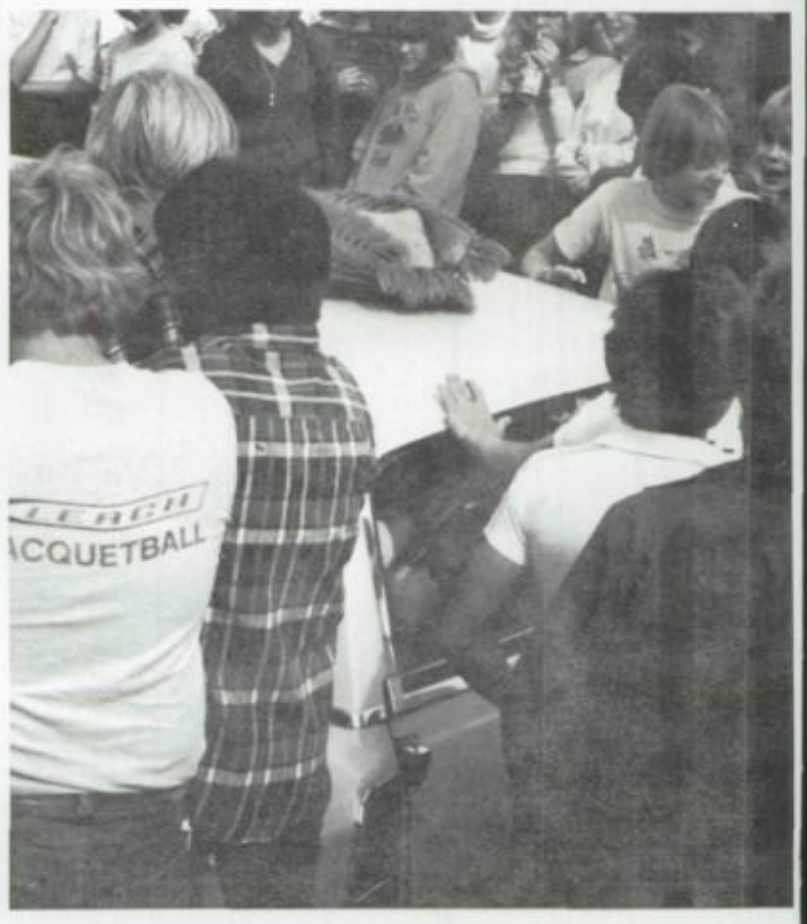
Learning to sew are *Laura Erickson* and *Tamie Tuel.*

Taking time to participate in school's most important activity, studying, is *Carma Dale.*



A time to work,
A time to play;
The Best of Times
Are every day.

Just messin' around
Havin' a good time;
These will be among
Our favorite times.



Time out for fun
With friends who've cared;
The Best of Times
Are those we've shared.

Showing everyone how productive his hour has been is *Kirk Wilkie.*

Enjoying a "Captain Fuzz" is *Nikki Fowler.*

Participating in the Homecoming Parade are *Russ Hall, Richard Ziebarth, Scott Bridges, Dennis Owens, and Doak Bailey.*

Showing some Skyline hospitality to substitute teacher, *Mrs. Lilian Yeoman,* are *Ralph Stanton* and *Cody Claver.*

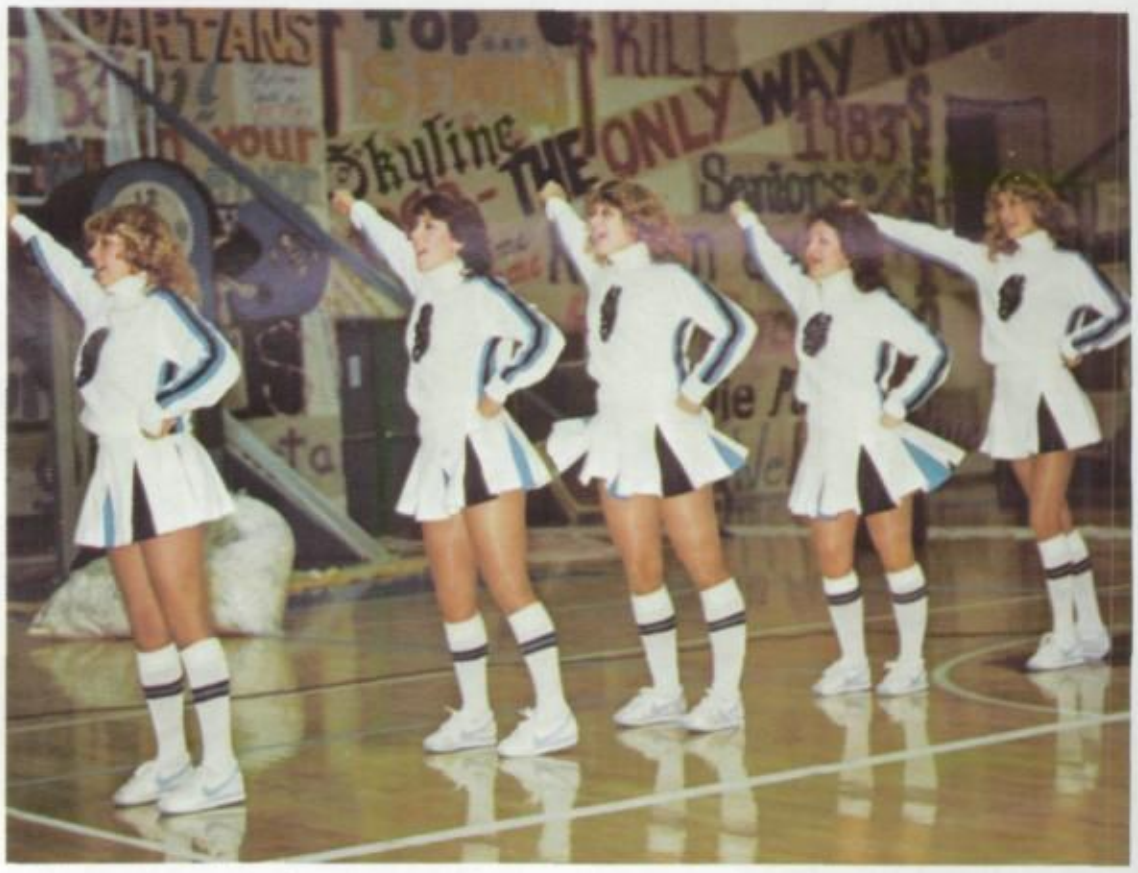
Imitating an "Idaho Falls Jock" is *Mickey Hill.*

Although they're having fun, *Dawn Gertch, Celeste Knight, James Anderson, Heidi Hansen, Kathy Baird,* and *Alison Poulter* aren't watching the assembly.

Skyline students enjoy stationwagon stuff.

Happiness is...going to Skyline, and *Julie Harrison, Jill Gardner,* and *Brenda Pancheri* seem to enjoy it.

The Best of Times—
To be with a friend;
The Best of Times,
May they never end.



Senior girls *Paula Martin, Julie Harrison, Lorie Carlile, Cammy Boyle,* and *Michelle Larsen* smile for the camera.

Not letting a lynching by the Thespians Club spoil his fun, *Alan Johnson* has The Best of Times.

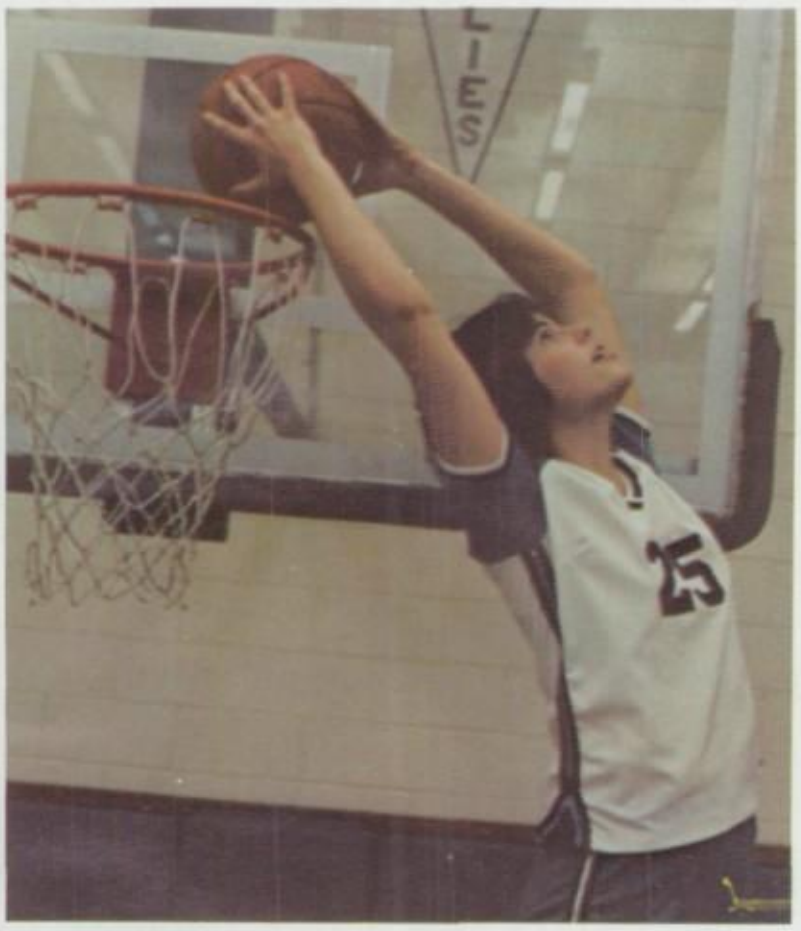
Sharing their spirit with the student body are the cheerleaders *Becky Daw, Getchen Hahn, Nikki Lange, Kris Clark,* and *Sue Lewis.*

Having a ball at Senior Ball, Skyline's couples enjoy their time together.

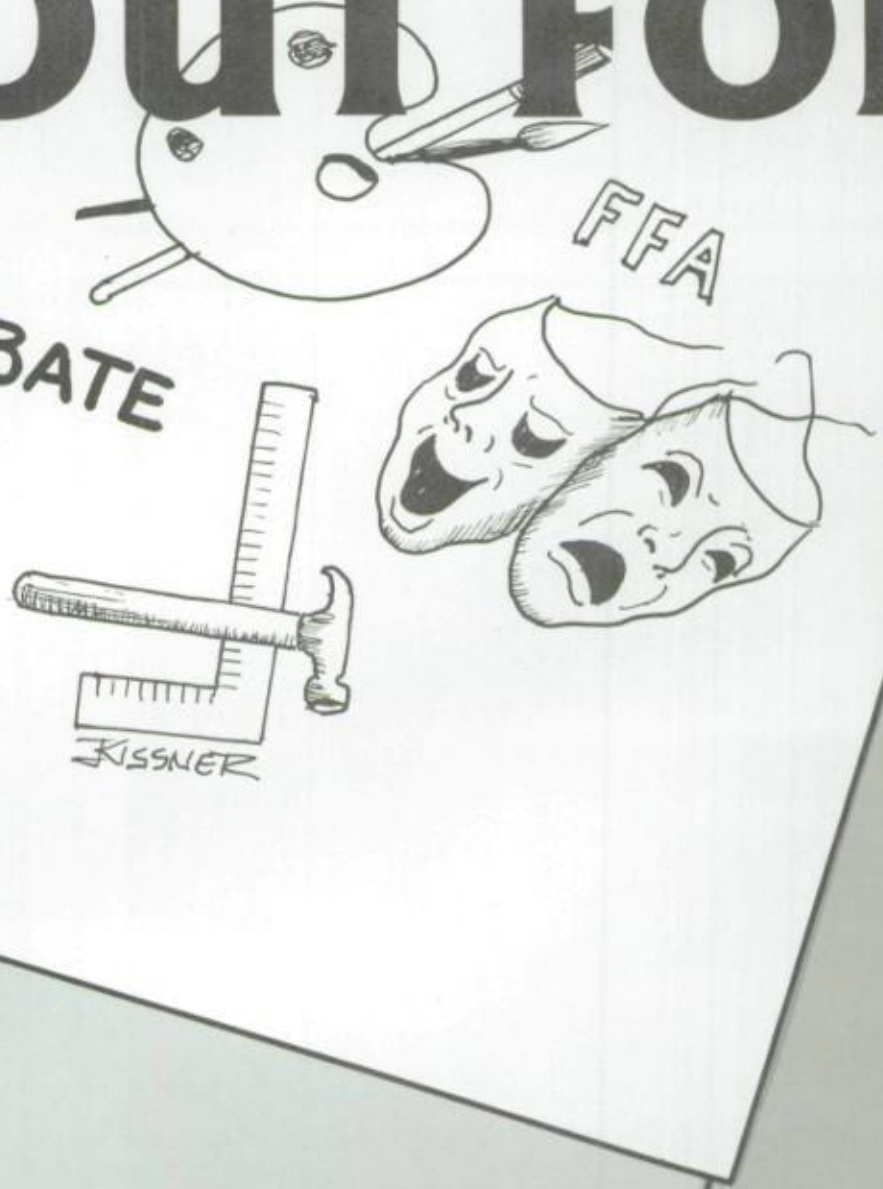
Slamming it home is *Heather Macaulay.*

Cruising down the halls are *Tami Russell* and *Danny Kelly.*

If it were possible,
Turn back the hands of time;
So that we could relive
The Best of Times.



TIME OUT FOR



Most Skyline students took time out to attend club meetings on Tuesdays and Wednesdays during CEP. Mettings included large groups such as federation meetings, as well as smaller clubs' meetings.

Most large group activities were held in the gym, where students enjoyed various guest speakers and performers from the community.

Smaller clubs held meetings to plan activities such as trips, dances, dinners, parties, and fund-raising activities like raffles and bake sales.

The newest club at Skyline was an informal group called "Donut Club." Any Skyline student could be a member by simply making a "run" to the nearest donut shop during CEP. Most students agreed that "Donut Club" had the largest membership and some of the best activities!

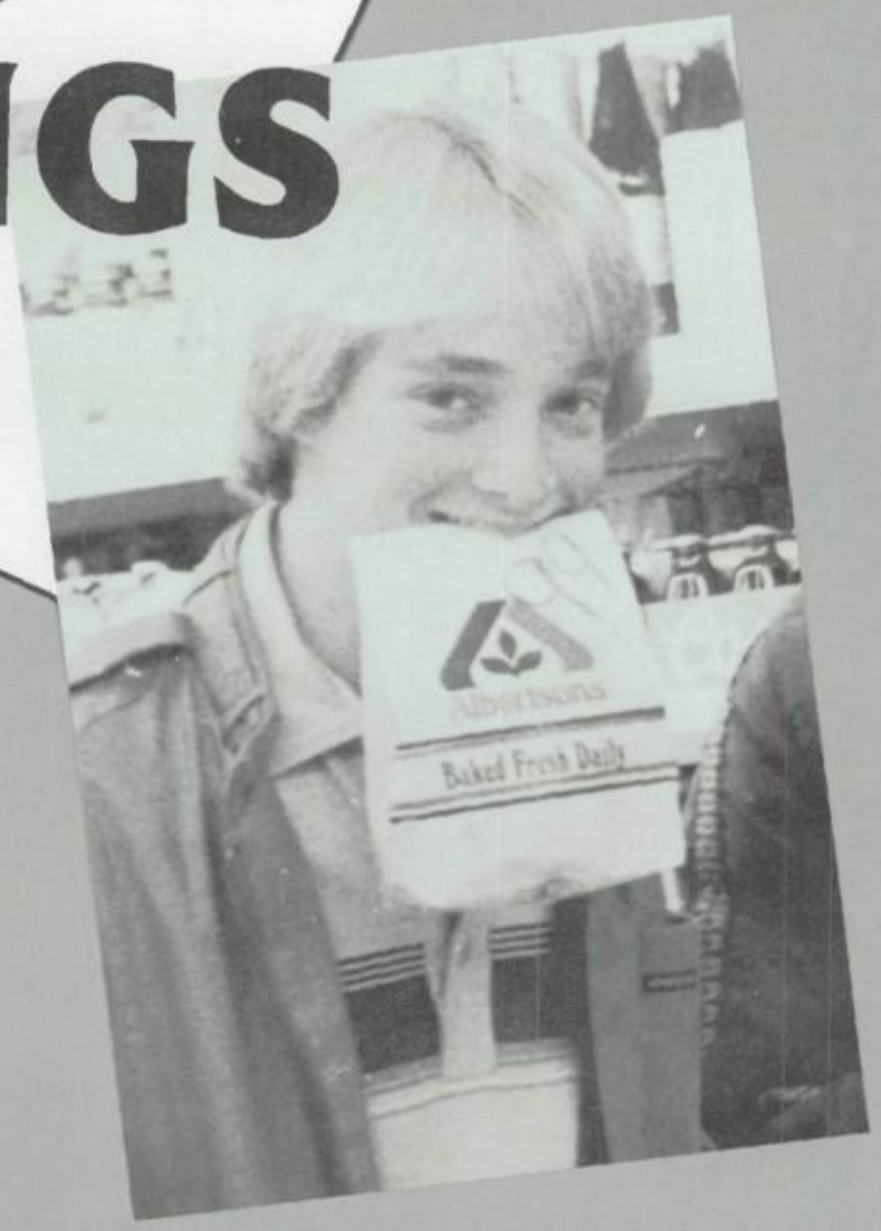
MEETINGS



Student Government

Student officers, spend time

Skyline High School has always been a school that has been looked up to by others. Our school has always excelled in every activity, whether it is in athletics or in academics. We may not take first place everytime, but our students always do their best. This is one of the reasons Skyline has the reputation it does, because of the students. All of us should be proud to say that we belonged to the Skyline High School Student Body of the year 1982-1983.

At the first of the year, Student Council was scheduled to meet the first Thursday of each month to plan and discuss activities. However, some of these meetings were cancelled if there was nothing to discuss.

Student Council was made up of club presidents, student body officers, and representatives from each CEP class.

Student Council planned various intramural activities such as volleyball, basketball, ping pong, and backgammon to keep students busy during the lunch hour.

Cheerleaders

Cheerleaders work overtime

A cheerleader's job requires plenty of hard work, personality, and patience. Cheerleaders this year attended every game and pep assembly, despite injuries and bad weather. Extra time was spent organizing poster parties, money-making projects, and activities like car caravans and Spirit Breakfast. Throughout the year, cheerleaders kept spirits high and tried new ideas for pep assemblies and class competitions. "Saturday Night Live," "Grizz Stomp," and basketball shooting contests were just a few. Besides meeting in their fifth hour class, cheerleaders put in many more hours to help build the school's spirit.

Teddy Bears

Teddy Bears keep traditions

For many years, Skyline Teddy Bears have kept a tradition of providing high-quality entertainment and support for the school. Specific traditions included Teddy Bear "pillow people" at the Christmas assembly, and a sophomore tea at the beginning of each year.

More important, however, is the Teddy Bears' tradition of hard work and participation. This year, they won first place in parade and minidome competitions. They also sold jewelry and calendars, besides holding several car washes, to raise money to purchase their costumes and put on their performances.

When asked about Teddy Bears' overall performance this year, Drill Mistress Jan Fridenstine remarked, "Excellent...our girls have talent that's unstoppable."

Mat Maids

Mat Maids promote wrestling spirit

Throughout the wrestling season, the Mat Maids kept very busy. They promoted spirit and interest for the sport of wrestling by supporting and cheering on the wrestlers. The Mat Maids went to all of the team's meets. There they cheered, kept score and time, and had bake sales. They also decorated rooms and honored wrestlers in various assemblies. The twelve Mat Maids are voted in by the wrestlers.

Spirit Club

New members add spirit

Spirit club had a successful second year. As the club became more organized, membership doubled. Members kept very busy this year, decorating players rooms, making posters, selling programs, having raffles, and going to all home games as well as a few away ones. Pep Band also was a tremendous help this year.

Spirit Club members, Seniors: *Anita Berry, Beth Davis, Laura Kudla, Teresa McMurtrey, Sally Nystrom, Tiffini Ray, Michelle Vermillion.* Juniors: *Karen Anderson, Lynette Andrus, Shellae Branson, Marcy Dawley, Laura Erickson, Janet French, Tracy Hagen, Cherylyn Peters, JoAnne Pruden, Angie Safford, Julie Schaer, Suzie Smith, Jan Valentine, Lori Waters, Patti Waters, Marlaina York.* Sophomores: *Diane Anderson, Jennifer Bart, Sherri Beck, Melanie Butcher, Janet Butterworth, Pam Bybee, Sonya Callister, Cindy Caudle, Morrica Chambers, Sarah Christian, Robin Crose, Jana Dodson, Devrie Freeman, Sonya Guzman, Marilyn Hart, Kathleen Hanrahan, Wendy Herdon, Brenda Holmer, Teena Johnston, Lisa Keating, Chris Linger, Wendy Marlow, Teddee McCullough, Kelly McFee, Kelly Mutschler Debbie Newman, Cindi Orchard, Johanne Palmgren, Ann Richardson, Kristie Ricks, Jennifer Rigby, Lori Russell, Pam Scott, Joy Thompson, Jamie Tuel, Kara Wenzel, Lisa Willish.* Teddy Bears: *Donna Arremony, Linda Beahm, Karrie Bessey, Kristin Coffin, Ruth Coomer, Elisa Deveraux, Brenna Eillis, Jan Fredinstine, Linda Grebb, Kim Haddon, Karrie Harris, Carla Hernandez, Vicki Hoffman, Janice Hong, Tammy Jensen, Trina Johnson, Jennifer Karvinen, Lori Morgan, Theresa Morgan, Christy Richardson, Chris Storer, Kelly Wheeler, Jayna Wilkes, Karey Worton.* Matmaids: *Pitsy Albinson, Melissa Bowen, Stephanie Bowen, Patti Carlile, Kristin Cherney, Jill Hahn, Katie Hinskey, Wendy Miller, MaiaLisa Obenchain, Leslie Park, Melissa Stokes, Tanya Young.*

Booster Club

Boosters, support more

Skyline Booster Club is best known for its support of Skyline sports. Members sponsor Fall, Winter, and Spring banquets to honor our athletes, as well as attending most athletic events throughout the year. The familiar "Grizzly Booster" jackets, hats, t-shirts, and buttons, worn by a smiling, cheering fan, can be seen at nearly every game or match.

Boosters support more than sports, however; they also contribute to Skyline's educational facilities. This year they raised money to share costs on computer terminals, video-tape machines, a plaque for the honor roll of Skyline valedictorians, and office equipment.

Skyline Boosters display a colorful banner at the concession stand where club members sell hot dogs, drinks, candy, and Booster memberships.

The Booster Club Grizzly raises a menacing paw towards the camera at the Homecoming Parade.

The Booster bear proudly stands guard at the Homecoming Game, with Boosters, and Spirit Club members cheering in the stands.

Letter Club than just sports

Any student at Skyline who has earned a letter in a varsity sport may join Letter Club. To raise money, Letter Club sold concessions at the basketball games and wrestling tournaments. They also sold programs and advertisements for them. Most of their money went for equipment for the athletic department, but they also had some fun activities, such as pizza parties.

Letter Club turned out in mass to support pep assemblies, games, and other activities, as evidenced here by this turnout at the bonfire rally the night before the football game against I.F.

Bands at games,

Pep and Concert Bands

Jazz bands concentrated throughout the year on jazz music—both playing it and understanding it. Jazz I was for first-year students, while Jazz II was for the more advanced students. These groups participated in various concerts, festivals, and trips such as the spring jazz festival trip.

Jazz I: *David Young, Amy Wilkinson, Kevin Young, Kristen Richert, Brian Cukurs, Nancy Nechodom, Tery Evans, Paul Christianson, Alan Harker, Bryce Mecham, Scott Algate, George Williams, David Brieter, Josh Bogle, Juan Murdoch, AnnJannette Fullmer, Scott Reinecker, Brently Cooper,* and *Director Dan Shuholm.*

Jazz II: *Sara Jacobsen, Travis Mitchell, Erik Beal, Todd Romer, Brently Cooper, John DeFilici, Juan Murdoch, George Williams, Lee Colson, Mickey Main,* and *Director Dan Shuholm.*

Pep Band also belonged to Spirit Club because of their involvement in Skyline sports and pep assemblies. They played primarily for winter sports such as basketball, volleyball, and wrestling. Pep Band was a major force in raising spirit at games and getting the crowd involved.

Skyline Pep Band: *Kirsten Anderson, Scott Algate, Hydie Bare, Erik Beal, Luella Carroll, Paul Christianson, Brently Cooper, Brian Cukurs, Nancy Date, Beth Davis, John DeFilici, Tony Deschamps, Louanne Evans, Terry Evans, Alan Harker, Katie Hinskey, Sara Jacobsen, Bryce Mecham, Travis Mitchell, Juan Murdoch, Scott Musselman, Nancy Nechodom, Alan Olsen, Scott Reinecker, Kristen Richert, Todd Romer, Eric Storhok, Jayna Wilkes, Amy Wilkinson, George Williams, David Young, Kevin Young,* and *Director Dan Shuholm.*

entertain concerts

Jazz and Marching Bands

Marching Band provided half-time entertainment at many Skyline football games. This year the band routines were directed by senior Kevin Young, drum major. Marching Band also participated in the first Idaho Falls Invitational competition with Idaho Falls and Bonneville high schools.

Concert Band performed during the winter and spring months in two major concerts—Christmas Concert and Spring Concert. Concert Band also participated in Tri-School Clinic, District Six Festival, and a spring tour.

With the help of a new director, Mr. Dan Shuholm, the bands provided good entertainment throughout the year and learned individual music skills.

Concert Band: *Scott Algate, Kirsten Anderson, Hydie Bare, Erik Beal, Luella Carroll, Paul Christianson, Lee Colson, Brently Cooper, Brian Cukurs, Beth Davis, Tony Deschamps, John DeFilici, Louanne Evans, Terry Evans, Jill Hahn, Alan Harker, Scott Hexum, Katie Hinskey, Fay Hunt, Tammy Jensen, Mickey Main, Bryce Mecham, Travis Mitchell, Juan Murdoch, Scott Musselman, Nancy Nechodom, Alan Olson, Sean Parker, Scott Reinecker, Kristen Richert, Nina Ricks, Todd Romer, Becky Smith, Chris Storer, Eric Storhok, Janya Wilkes, Amy Wilkinson, George Williams, Lisa Willisch, David Young, Kevin Young, Sara Jacobsen, Jeannie Gavin, Nancy Date, John Cavin,* and *Director Dan Shuholm.*

Mr. Jerry Shively conducted five choirs this year: Chamber Choir, which consisted mainly of seniors; Advanced Girls' Choir, mostly junior and senior girls; Concert Choir, a mixed group of mostly sophomores; Swing Choir, which specialized in jazz and contemporary music; and Low Down Choir, which was open to all boys.

As a special event this year, Skyline Chamber Choir performed by invitation at the All-Northwest Music Educators' Convention at Seattle, Washington, in April. Chamber Choir was the only high school choir from Idaho to be selected to attend. The trip to Seattle lasted for five days.

Key Club

Giving time to community

Service was the main objective of Key Club. Open to all interested students, the group's purpose was to promote good relations between the community and Skyline High School. Escorting speakers on Career Day was only one of their many service projects this year. Other projects included helping the Senior Class buy a new mascot uniform and cleaning up the school grounds. Besides meeting every two weeks during CEP, club members went out to weekly 7 a. m. breakfast meetings.

Key Club officers: *Carlee Jorgensen*, vice-president; *Mack Sermon*, president; and *Chris Hansen*, secretary.
Adviser for Key Club is *Mr. Bill Savage.*
Helping Key Club escort guests on Career Day is *Sue Lewis.*
Key Club members: *Steve Taggart, Chris Hansen, Carlee Jorgensen, Mack Sermon, Kip Wilkins, Karey Worton,* and *Mr. Bill Savage.*

Honor Society

Society votes to keep Lagoon

One of the major issues in Honor Society this year was the annual trip to Lagoon. Many members felt it was time for a change, and petitioned to go skiing instead of going to Lagoon. The debate continued for most of the year, until early in March when new nembers were inducted and a vote was held. the Lagoon trip won by a narrow margin.

As a service project for 1983, Honor Society helped pay for a plaque listing the names of Skyline valedictorians. Honor Society used money earned from last year's sock hop for the donation.

Hard work overshadows inexperience

Behemoth Staff

Sports Editors *Mike Whyte* and *Ryan Cherry*, pause from their work to smile for their picture.
Editor-in-chief, *Steve Mings* plans the ladder diagram for the annual.
Club Editors *Trudy Howells* and *Amy Siedenstrang* sit thinking of captions for pictures.
Expressing their opinions about deadlines are Student Life Editors, *Deborah Hepworth*, *Julie Reimann*, and *Corie Nelson*.

Inexperienced, but dedicated, the '83 Behemoth Staff worked hard to make this year's yearbook. A lot of hard work and even more time went into scheduling pictures, cropping pictures, making layouts, writing copy and captions, and selling ads.

Yearbook staff took the first few weeks easy, taking time to learn etc. But as deadlines unexpectedly crept up, many new staff members quickly realized all the work that goes into making a yearbook. With only one returning staff member, Editor Steve Mings, eleven new recruits had to be trained from scratch. This was only the second time in eighteen years that the Editor-in-Chief was a junior according to Mr. Don Harris, adviser.

To gain experience and knowledge, some staff members competed in the annual high school journalism conference in October, held in Sun Valley. Here they attended interesting workshops and seminars, and attended various contests. Several staff members placed in their contests. Besides gaining expereience the staff learned valuable information about what it takes to make a good annual.

The experience the staff has gained this year will help them greatly in producing next year's annual.

Class and Faculty Editors, *Nic McFarlane* and *Dawn Gertsch* write captions for candids.
Filing ads are *Leslie Brown* and *Tammy Russel* Ads managers.
Associate Editor *Jay Hill* types body copy on the typesetter.
Yearbook staff works diligently on pages for the first deadline.

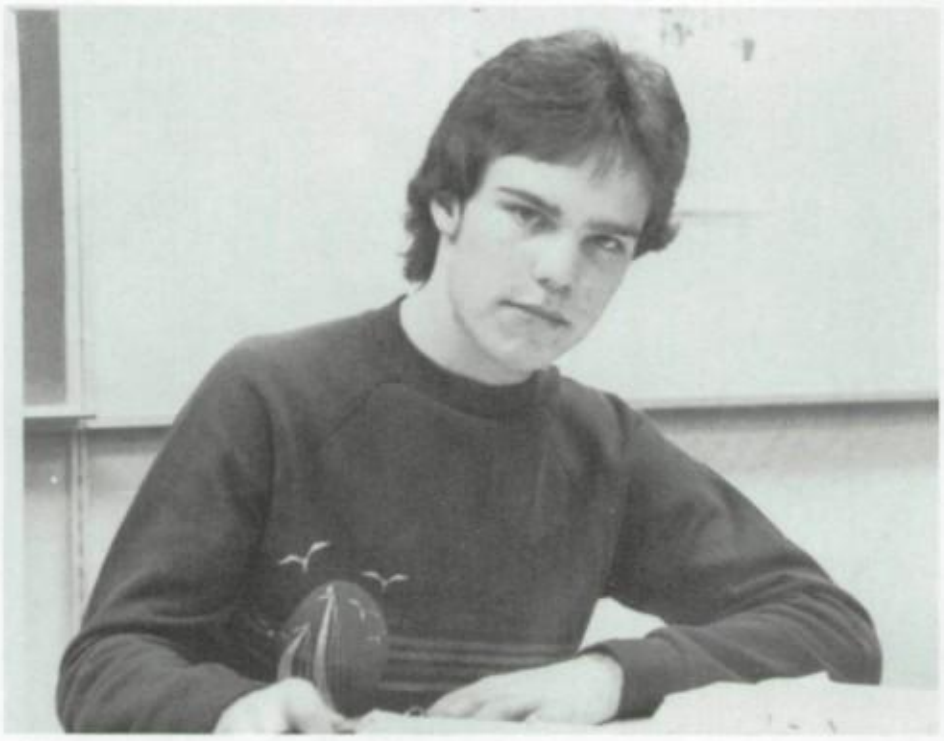
The Westside Story

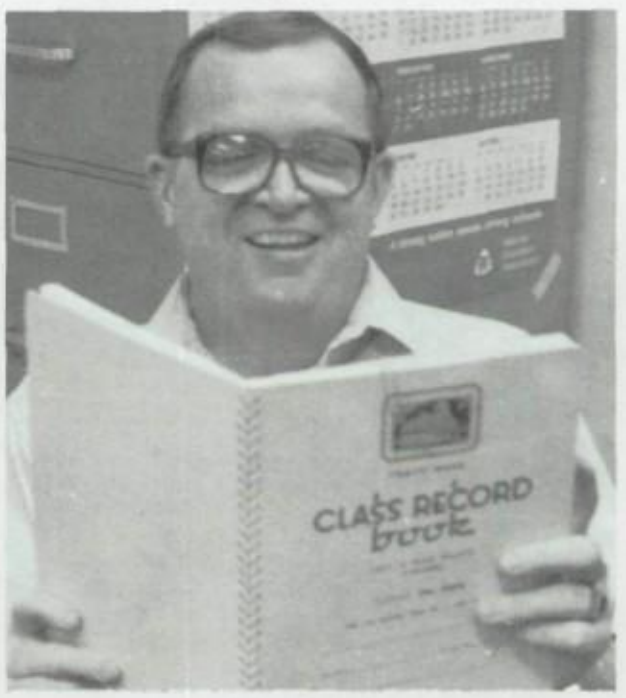
Staff captures best of times



Sports Editor, *Tyson Bradley* writes a sports article.
Typing an important article is *Steve Olson*, Associate Editor.
Editor *Julie Harker* can always find time for a picture.
Stopping to smile are *Cody Claver*, Assistant Sports Editor, and Ads Manager *Pitsy Albinson*.

The West Side Story is Skyline's own 8-page newspaper, published monthly by an eleven-member staff. Although the staff is small, its members do an exceptional job in covering the issues and events at Skyline. *The West Side Story* uses its own typesetter and everything is camera-ready when it goes to the printer.

In October, most of *The West Side Story* staff attended the State High School Journalism Convention in Sun Valley. There, they gained tips and skills on pictures, cartooning, and writing, and even placed in several contests.



The West Side Story staff takes a breather after meeting an important deadline.
Kathy Baird, Assistant News Editor, is skilled on the typesetter.
Feature Editor, *Lisa Ker*, types a hot sotry.
Slaving away is *Luella Carroll*, News Editor.

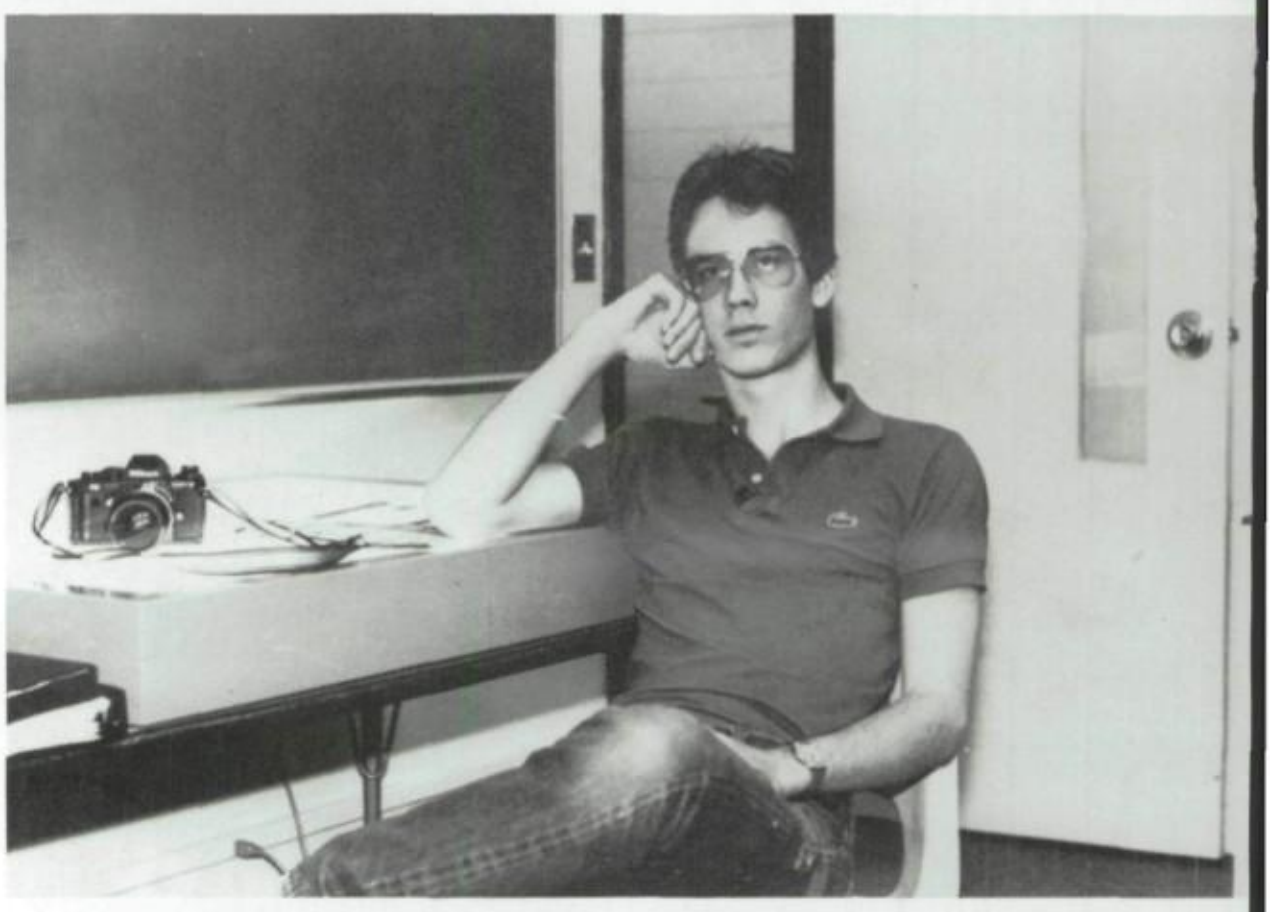
Cartoonist *John Baxter* creates humor for *The West Side Story*.
Staying busy is *DeAnne Miyatake* Editorial Editor.
Checking the grade book is *Mr. Don Harris*, adviser to the newspaper.

Photo Lab

Busy times for Photo-Lab

Being a photo technician takes a lot of work and patience. The five photo lab techs. take all the pictures for yearbook, newspaper, sports programs, and any other special assignment that might come up. They have plenty to keep them busy. Not only do they take pictures, but they also develop the film and print the pictures.

Photo-Lab had a small staff this year, with one head technician and four assistants. Also, this year, photographers were only scheduled in the lab during two hours of each day. Sometimes it was difficult for them to complete their assignments on time. Problems such as lost, blurry, or scratched negatives; dirty prints; blurry pictures; and mixed up picture-taking schedules also made things tough. Regardless of these obstacles, Photo-Lab managed to keep caught up on their work throughout the year.



Head Technician *Mark Bingham* would rather take pictures than be in them.

Quill & Scroll

Induction rejuvenates club

Quill & Scroll is an international honorary society for student journalists. The Skyline chapter of Quill & Scroll had only one member for this year, until March 31 when eight new members were sworn in by president, Julie Harker.

There are two requirements that must be met in order for membership in Quill & Scroll. The first is to be in the upper one-third of the class scholastically. The other requirement is to be on a publication staff, such as yearbook or newspaper staff, for at least a semester. Since most members of the Behemoth and West Side Story staffs were "rookies" this year, an induction ceremony was not held until late in the school year.

Quill & Scroll is the fund-raising branch of the journalism department, and hosts an awards banquet each spring.

President *Julie Harker* installs new members and hands them Quill & Scroll membership cards. New member *Ryan Cherry* works on a layout for the Sports Section.

French, German

Deutscher Klub

to appreciate

Deutscher Club is designed for any current or former German Student, or for anyone else interested in German culture. German Club began the year with an "Oktoberfest" Picnic at Tautphaus Park. When asked to explain the purpose of "Oktoberfest", one member exclaimed, "Eating!" German Club continued to meet during CEP throughout the year, planning a Christmas party and caroling excursion. In February, a traditional Fasching Party, which is somewhat like Mardi Gras, was celebrated. German Club members made wild masks, posed for pictures, and served refreshments. German Club also held an awards banquet at the end of the school year, and helped in sponsoring the annual International Dinner.

"Frau" Olga Rippel is the adviser for German Club and German Honor Society.

German H. S./French Club

German Honor Society is a national organization, created for the purpose of furthering understanding between Germans and Americans. Membership requirements include a 3.0 grade average, as well as 3 semesters of German with an A average. Members worked hardest at Christmas, when they spent time making gifts for the Child Development Center.

Spanish Club

Club enjoys good times

Spanish Club began their year with their annual lunch at Mi Casa, a Spanish restaurant. At Christmas, they had a party at Jackie Stosich's house. They broke a pinata, ate a Spanish dinner, and saw the movie, **"Somewhere in Time."** At the annual International Dinner, Spanish Club members entertained the audience by singing and dancing to **"La Cucaracha."** They ended their year by going roller-skating in the spring. To earn money for their activities, Spanish Club sold M & M's and calendars.

OEA and Marketing

Promoting skills through projects

Taking the place of DECA this year, Skyline Marketing Club promoted marketing occupations among the students at Skyline High School through fun activities. For their money making project this year, Marketing Club sold "Joe Bucks," which could be used at Albertsons. The $700 they earned went for supplies for the marketing program. They also had a needy family service project at Christmas time. Anyone enrolled in a marketing class could be a member of Marketing Club.

OEA members developed leadership abilities through participation in vocational, educational, civic, recreational, and social activities. They also performed several service projects such as reading to children at the hospital, making cookies for the children at the Child Development Center, and taking a Christmas dinner to a needy family at Christmas. OEA members sold candy to raise money to go to their regional convention at Vo-Tech and to the state convention in Pocatello during April. Anyone enrolled in a secretarial class could join OEA.

Math Club makes learning fun

Math Club

Skyline Math Club makes activities interesting to its members by showing that it can be fun as well as educational. Throughout the year members competed in meets at four local schools, and held practices before each one. One of their biggest events was the "Compata-Match," in which students from Skyline, Bonneville, and I.F. filled out questionaires and were given the names of ten possible matches from each school.

Thespians

Thespians fly to New York

Thespian Society is an international organization for drama students. It's purpose is to promote interest in high quality theatrical productions, provide acting and technical experience for drama students, and represent participation and "live theatre" for the community.

To be a Thespian, members must be enrolled in drama and have ten "Thespian points," which can be earned through acting and technical theatre. All members participate in drama festivals and theatre performances.

This year, several members of Thespian Club took a trip to new York City over the Christmas holidays, with Mrs. Dee Litzenberger, Thespians' adviser, as chaperone.

Soccer/Ski Club

Weather dictates clubs' activities

Ski Club is one of the largest clubs at Skyline, enrolling over 120 members. This year members went to Sun Valley, which was "a thoroughly drenching experience," according to adviser, Mr. Richard Pattee. A trip to Jackson Hole was planned for March, but then was cancelled, due to lack of interest.

Soccer Club played two seasons this year, playing both in the fall and in the spring. They traveled to Boise for the state tournament in the fall, but played most of their games in the spring. Uncooperative weather, however, delayed their spring season. The club was divided into two teams —a varsity and a junior varsity — this year. They played in a league against Highland, Pocatello, I. F., and Bonneville.

Students

Art Club

arts, crafts,

Art Club kept busy this year with their many art projects for both the school and the comnunity. These included making and painting a paper Mache' Tiger for the annual bonfire, painting a 72 feet long banner for Albertson's, painting Christmas scenes on store windows for the holidays, painting Christmas scenes on store windows for the holidays, painting the end zones for the football game against I. F., and painting the backdrop for the Festival of Trees at the Child Development Center. For their fund raiser this year, they collected coupons and received money for them from Albertson's.

Industrial Arts Club practiced most of the year, sharpening skills for the state industrial arts competition. To raise money to attend the state contest, members sold tickets and held a drawing for a 7-pound box of chocolates. They also gave away two smaller boxes on Valentine's Day.

One of Industrial Art Club's major projects for the year was an honor roll plaque listing Skyline valedictorians since the school began in 1967.

Future Farmers of America

Preparing for future times, needs

Future Farmers of America helps students prepare for the future by developing agriculture leadership, career awareness, cooperation and citizenship. Their calendar was full year 'round with many meetings, seminars, and contests of all kinds each month. FFA members also had many fun activities, such as Donkey Basketball, a Bar-B-Que, a Ski Trip, and helping with Harvest Ball.

To be a member of FFA, students had to be enrolled in a vocational agriculture class and pay the $10 membership dues.

Doughnuts

Skyline out to doughnuts

The phrase "out to doughnuts" became just as much a part of Skyline vocabulary as "what time is it," or "can we leave." Making doughnut runs became a craze, perhaps even a school pastime. The **Behemoth** rose to meet this challenge, by recognizing a new institution at Skyline--Doughnut Club.

Doughnut Club originated in fall of 1981, when the Climate Enrichment Program first began. A few brave students, finding their scheduled meetings during CEP to be dull or uninteresting, began to leave school and visit the local doughnut shops instead. Their idea caught on, and soon everyone was heading for the doughnut shops at 10:00. For 30 minutes, they could bring a little happiness into their young lives by "pigging out" with their friends.

The movement has grown and stabilized over the 2-year period since it began. It even caught on with several teachers, who took collections from their CEP classes and provided doughnuts in the classroom. Doughnut Club grew to include more than doughnut freaks, however, with many members "pioneering" in the fields of scones, coffee, soft drinks, and even cookies.

Perhaps the best part of Doughnut Club was its membership, which included most faculty members and students — even sophomores joined in the fun. Doughnut Club appears to have taken root as an accepted part of Skyline tradition and character.

TIME OUT FOR

Sports are an active part of many high school students' lives. Although they touch practically all students, sports are most influential to the athletes. These athletes, whether girls on a volleyball team or guys on a football team, find time to practice and improve. This improvement helps Skyline keep its winning tradition.

Another important part of sports is the fans who give their support at the games. The time they spend cheering for Skyline shows their interest and concern for the school. By supporting the team, the fans also contribute to Skyline's winning traditions.

Sports bring a school together by providing a common interest for both faculty and students. The coaches are generous in helping with sports. Their effort shows the students that the teachers are interested in them as people, and not just as pupils.

ATHLETES

Skyline teams rebuild

Most of Skyline's athletic teams were in a rebuilding time this year. There was a strong turnout of juniors in all sports, which will result in more winning next year.

Although the football team won some very tough games, they did not make it to the state tournament. The girls' volleyball and basketball teams maintianed consistent records with a good team of a few returning seniors and several strong juniors. The boys' basketball team did make it to the state tournament, but were knocked out with two straight losses. The wrestling team was strong as usual, but only managed to place second at state because of a bad draw in the opening round. The track seaon was highlighted by strong individual efforts from several athletes. The baseball team only had 4 varsity members returning to the squad, but played very well for an inexperienced team. Although the tennis and golf teams did not have the best of starts, they finished pretty well with strong efforts from several team members.

Grizz go 5-5; fall short of playoffs

The opening game of the 1982 football season ended in tragedy. A disappointing loss to the Meridian Warriors in the last minute left the Grizzlies stunned.

The following week, after a long bus ride and a long first half, the football team gained their composure long enough to defeat the Caldwell Cougars.

A surprising Blackfoot team kept the Grizzlies' next game close until halftime when they became more organized for the second half and pulled away with their second victory of the season.

A month into the season the Grizzlies came home to an enthusiastic crowd to face the Twin Falls Bruins. The battle of the bears ended with the Grizzlies victorious.

Traveling to the Minidome to face the rival Highland Rams proved to be an exciting game for all who were there. An injured Brett Spaulding and a few costly mistakes added up to the second loss of the season.

The Grizzlies Homecoming game was exciting as the Grizzlies walked away with another victory. The following week the Grizzlies faced the winless I.F. Tigers. With the aid of Dennis Keiser's arm the Grizzlies left the stadium blue.

The last three games of the Grizzlies season ended in disappointment as the three loses to Boise, Pocatello, and Bonneville, respectively, burned out hopes of the Grizzlies going to the state playoffs.

The sophomore football team had a lot of learning experiences this season. Although they won only one game all year, they kept their spirits high and hung in there. Most of the games were close and had very dramatic endings. In spite of the frustrations of losing close games, most of the players kept fighting until the last game. The sophomore football players that excelled at their positions were rewarded at the end of their regular season by being moved up to the varsity team. Among these players that gave 110 percent all the time were Glen Thorsen, Mike Hall, Scott Muir, and Jeff Burtenshaw. They were all defensive players, which shows where the sophomore team was strongest. They had their opponents to few points, but the offense had troubles helping their defensive teammates. All in all, the sophomore football season was a learning experience.

Cross Country

Although Skyline's Cross Country team did not fare well at the state meet, they had a strong individual effort all year from runners Bryon Ross, Gaylen Yeates, Tom Mosbrucher, Jerry Shields, Mike Christian, Becky Hall, Colene Richert, and Ronda Goin. The boy's team was better balanced than the girls team. All the boys were fairly equal in ability which gave each of them a chance to be Skyline's top runner on any given day. The girls had a complete team in only two events, the city meet and the District Meet. That made if very hard on the girls who did participate. Becky Hall was one of just a few girls who participated in Cross Country this year. She was definitely a standout in this sport. She finished first in many meets including District which was held at Freeman Park. She set the course and meet record at this event. She finished sixth at the state meet at Shadow Valley which was the best for all area runners. The boys had seven runners at the state meet of which Scott Colver finished the best. Over a course of about 3.2 miles, he was 58th out of 75 runners with a time of 19 minutes 57 seconds which was 2 minutes 49 seconds behind the winning time. This finish, along with those of his teammates gave Skyline a 9th place standing at the state meet.

Strong individual effort

Cross Country topped off its season at the annual Fall Sports Banquet. The team had a second place finish at District and ninth place finish at State. Coach Deloy Roberts awarded each member of the team a varsity letter for their efforts. In addition, each runner who went to State received a certificate of participation showing that he or she had gone to that meet.

Coach Roberts also gave individual awards to the most outstanding runner on both the boys' team and the girls' team. The recipients of these awards were Gaylen Yeates for the boys' and Becky Hall for the girls'. To receive this award, these ahtletes had to earn the most points for Skyline's teams. Play-offs

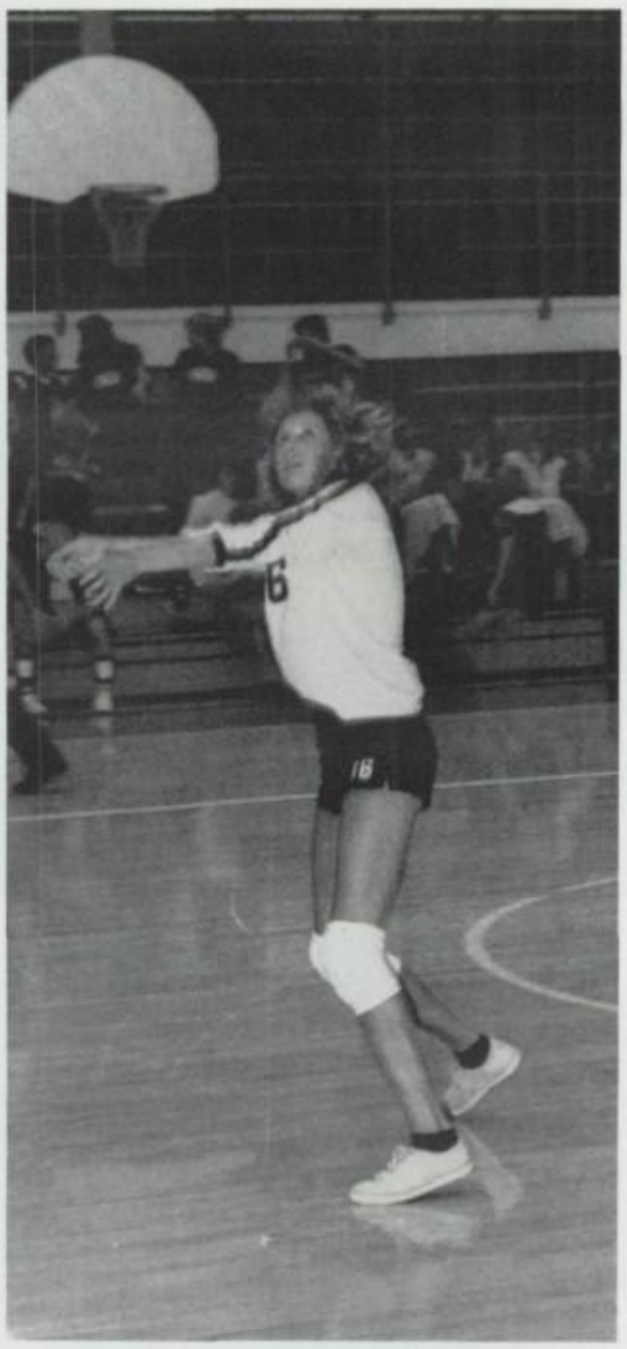
Skyline	2	Opponents	2



The Varsity Volleyball team had what you might call an up and down season. The first game was a "close, but no cigar" loss, and the last was a sound beating, 2-0. Everything else in between ranged from 2-0 wins to 0-2 losses. They completed the season with a winning record of 10 wins and 9 losses. As a reflection of their up and down season, the Varsity Volleyball team had a 2 wins and 2 losses post season record. Cross town rivals, Idaho Falls, came up with a strong team this year. Because only one team from District 6 was able to qualify for state, Skyline did not go because of I.F.'s strong showing. Skyline gave the final match against Idaho Falls their best effort, but it wasn't good enough. It went to the third game where Skyline fell short again. Although their season ended right there, Coach Rosen felt that the District Tournament was the Varsity Volleyball teams best effort. The team did not get as much as they deserved for as hard as they worked.

The Grizzlies spiker team had three returning senior letter persons. Despite varsity in experience, the team showed great composure all season. All fans who watched the team in action were impressed and often surprised by their style of play.

Junior Varsity Volleyball

After defeating Preston in their season opener the Skyline Junior Varsity Volleyball Team encountered difficulties losing their next three matches. Our girls lost to Sugar-Salem, Burley, and also Twin Falls.

The J.V. Volleyball Team hit highs and lows as most of their season was win a few, then lose a few. They defeated Minico, but following that they lost to Highland. Coming back after the Highland loss they took Pocatello handily. Again hitting a low after a victory the JV spikers lost to Wood River, and also Madison. After Madison had defeated our JV squad, our spikers finished the regular season by winning their last four matches defeating Bonneville, Blackfoot, I.F., and Snake River. In tournament action the volleyball team didn't have as good as luck as during the season. Losing to Twin Falls and Highland after defeating Bonneville.

Girls struggle through long, hard season

The girls' 82-83 basketball team started a long, struggling season with a disappointing loss to Rigby, one of several losses within a few points. The following week the team again lost by a single point to Madison. After losing their third game, the girls pulled out a tight one and defeated Blackfoot. Coming off of that big win, the Skyline girls were brought back to earth when they lost to cross-town rival I. F. and were also beaten by Bonneville the following week. The next game also ended with a defeat for the Skyline girls, when they lost to Twin Falls for their second string of three consecutive losses.

This string was broken with an explosive win over Madison. After their second win of the season, they once again were defeated by I. F. Coming off of a close loss, the girls got right back in the swing of things and won a close game against Rigby.

After splitting a few games, the girls broke the sequence with impressive wins over Snake River and Star Valley. Following these two victories, Skyline was again unsuccessful with cross-town rivals, losing to Bonneville in a tight game. Meeting Pocatello and Minico in the next four games, Skyline was unsuccessful in these games, but then soundly beat Minico. In the final two games of the regular season, Skyline beat Twin Falls but lost to Highland.

In district play, Skyline's girls managed to hang tough for three games beating Bonneville, next losing to I. F., and then to Bonneville, to end a hard season.

Girls' Junior Varsity Basketball

Girls' J V basketball had a respectable season record for the season, but they didn't fare quite as well at the district tournament. They won eight games during the season, four of which were against Idaho Falls and Bonneville. With this record among the city team rivals, Skyline had a distinct advantage in the upcoming district tournament. Going into the tournament just a little overconfident was the Skyline team's downfall. They faced Idaho Falls in the first game and they were stunned by the much improved team. They were beaten by ten points and they never fully recovered. They lost to Bonneville in the next game and were put out of the tournament. Those last two games brought a rather disappointing end to a fairly seccessful season.

Basketball builds for strong tourney

Skyline's Varsity Basketball Team got off to a typical Skyline start. They won their first three games two of which were against ranked teams (Highland and Capital).

This strong initial effort gave Coach Jim Lewis and his team a state ranking in the top 5 which is not unusual. What followed was one of the worst streaks of luck Coach Lewis has ever experienced. His team lost 13 in a row, some of which were sound beatings, most of which were very close contests. These losses ranged from a 32-point massacre to a couple of triple overtime 1 point games.

Coach Lewis knew his team was good after so many close losses, but the record made it hard for him to get his point across. On February 4, the second ranked team in the state, Twin Falls, entered Skyline's gym for what they thought would be Skyline's 14th loss and Twin's 14th win. As much as Skyline's die-hard fans hated to admit it, it was inevitable that Twin was right. Somebody forgot to tell the team the bad news in the pre-game talk, so they went out and beat the Bruins. This victory must have boasted the the team's confidence, because they finished the season with 2 additional victories. Skyline's record was 6-1 with a 13 game losing streak in the middle. Just as they started the season, Skyline finished the season in top form for the district tournament.

With a strong finish for the regular season, the basketball team was in great shape for the tournaments. Idaho Falls was the first team Skyline had to play at the district tournament and Skyline was ready. Coach Jim Lewis used several different players for several different situations, just like a chess match. A late surge by Idaho Falls gave the team a scare, but they held off until the final buzzer and won by two. Skyline went on to beat Idaho Falls again in the district tournament, but they lost to Bonneville for the championship. By taking second at district, Skyline still had a chance to go to state if they could be Pocatello. They went to Pocatello in a last attempt to get to the state tournament. The team had a shooting average of over 70 percent for the game and they were on their way to Boise. They never let Pocatello get into the game. The first game of the tournament pitted the Skvline team against second-ranked Coeur d'Alene. It was a good game but Coeur d'Alene pulled it out by three in the last minute of the game. By losing the game, Skyline forced a game with Highland. After such a draining and disappointing loss the day before Skyline just never got in the game. This ended the season for the team, giving them a seventh place finish in the state, even though they had a losing record.

Boys' Junior Varsity Basketball

Boys' J. V. Basketball got off to a slow start this season. The team only won two regular season games, but they did succeed in building a lot of strong individual talent. The program was designed to prepare the younger athletes for future play of the varsity team. Although their record didn't show it, the team was a lot stronger and worked a lot better as a team as the season progressed. In the city tournament Bonneville won, but the Skyline team beat Idaho Falls twice. That was as many wins as they had had during all of the regular season. The main objective for the team was to prepare themselves for varsity basketball. They did this with their strong finish in the tournament, so the season turned out to be a success.

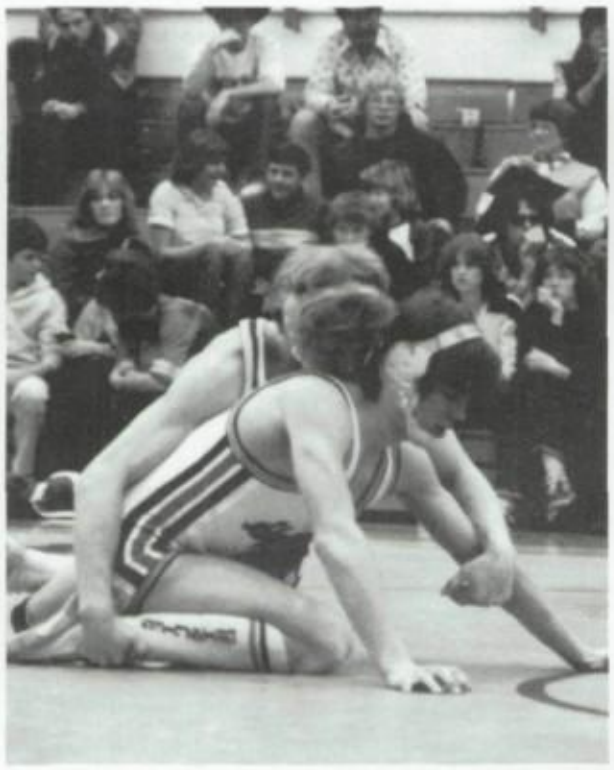
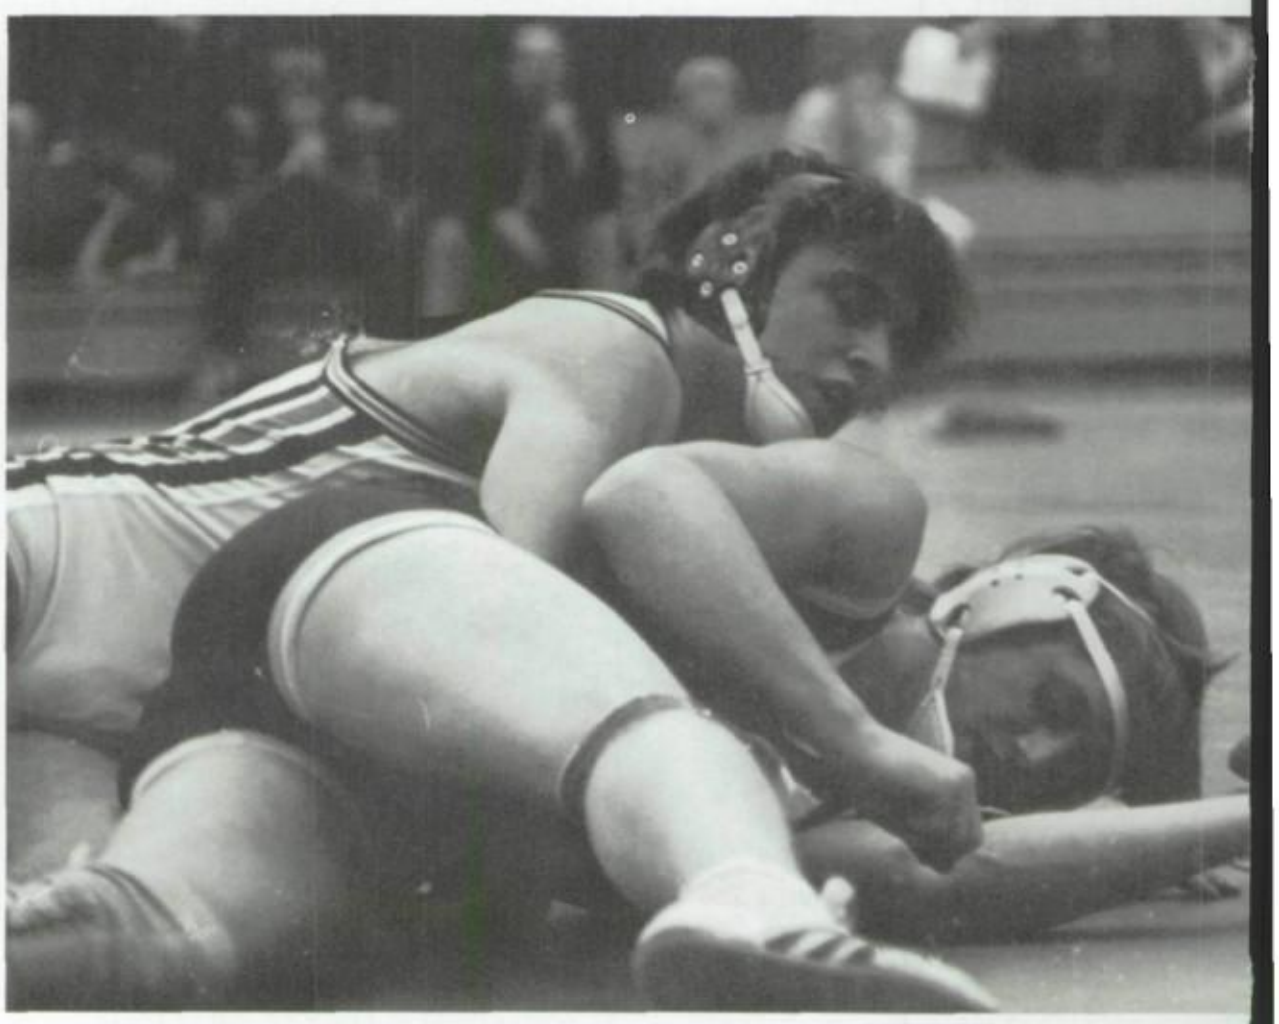
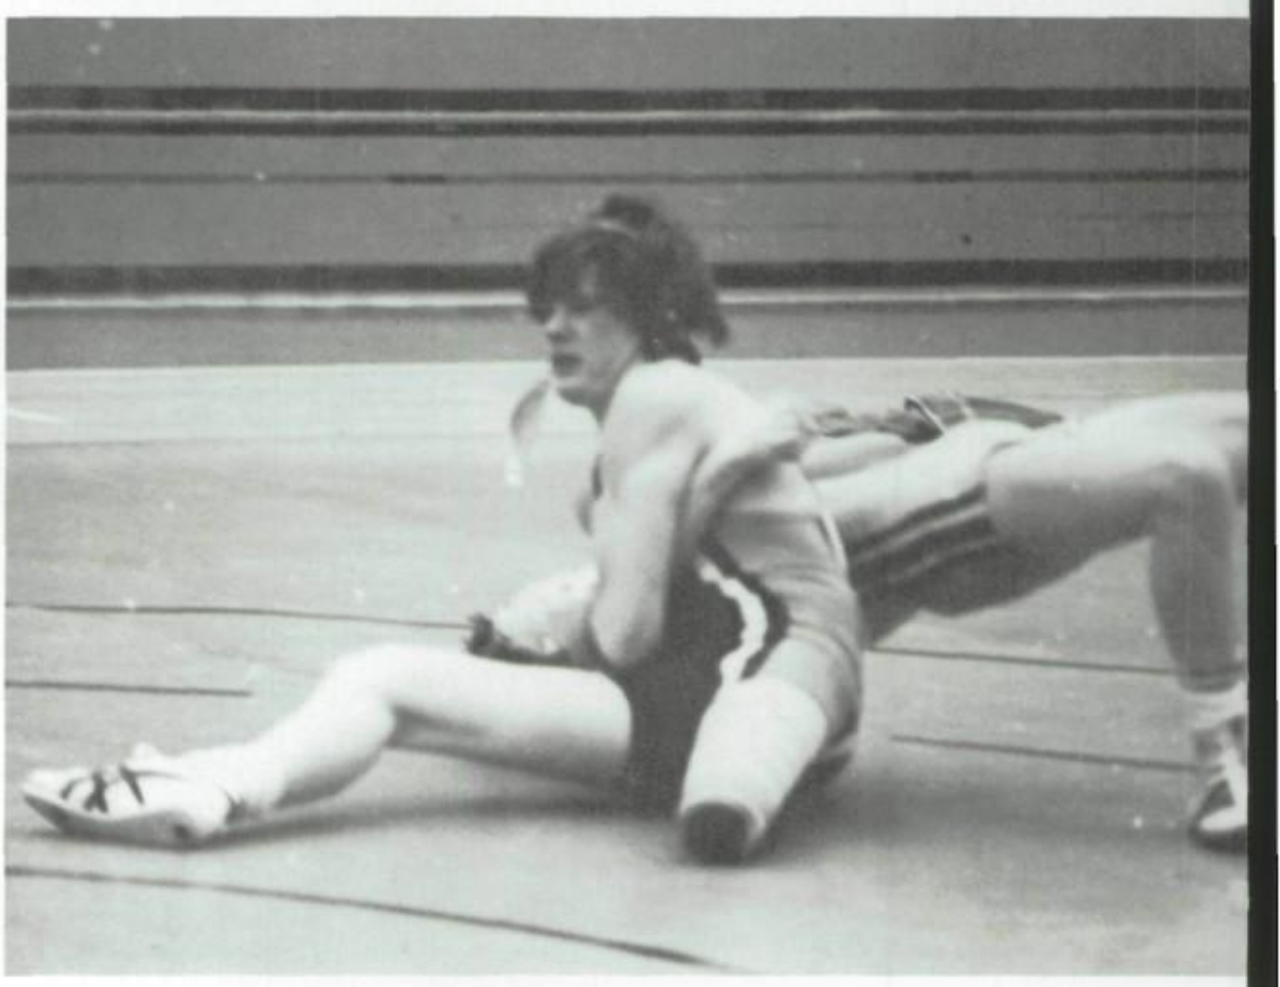
13 Wrestlers go to state







Varsitv wrestlers got off to a typical start, deafeating Pocatello handily, proving once again that Coach Floyd Young had a competitive and state tournament-oriented team. The first object was to get through the season, and then the district to get his young men ready for state.

Once again the Skyline grapplers went undefeated in dual meets, all of which were won easily, with only one team managing to get within 10 points. At different invitationals, Skyline did well, obtaining first place in three; second in one, losing to Meridian; a third palce in the Green River Invitational. Skyline won district and sent 13 wrestlers to the state tournament, which wasn't quite enough for taking state; but with hard work, the Skyline grapplers won second place at state.

Flint and Russ Hall, and Lance Owens each were state champions in their respective wieght class and the other 10 had impressive showings.

As for next year's team, it should be as good or better than this year's. Having 7 returning from varsity and a large J. V. team to chose from will give Coach Young a good nucleus for next year.

Skyline had a large turnout of J. V. wrestlers. Some of the wrestlers were experienced, and some of those inexperienced came along during the course of the year and did some impressive wrestling. V. wrestlers are sometimes just as good as the varsity and should be given credit. The team was basically young and hopefully will be back in the wrestlng program next year.

Skyline's track team was of fair size this year and the coaches had a good squad to choose from. Apparently they chose correctly, for the team did well in all of their meets not only as a team, but there were also some exceptional indi-vidauls.

Unfortunately, both teams didn't win district. The boys did, but the girls lost a few points on a technicality and came in second.

Individuals who advanced to state from the girls' team included Mickey Hill, Chris Barnes, Colene Richert, Becky Hill, Lucille Brizzee, and Tracy McIntire. The boys who advanced were Evan Nelson, Doak Bailey, David Wood, Rick Wood, Brian Ross, Scott Colver, Gary White, and Brett Spaulding.

The girls finished in 8th place at state and the boys took 9th place.

Skyline's young inexperienced baseball team started off this year's season in Boise. The tournament was a good experience for the team and the coaches. It also helped to prepare the team for the regular season.

Fighting the weather and silent bats at the start of the season the Grizz were working out problems of their inexperience. Every error the team had made came back to haunt them in the end. Besides fielding errors the Grizz had a whole, and it showed it when they were playing.

There were a few games in which the Grizzlies played like a traditonal winning Skyline team. The players were hitting the ball well and the defense was tight.

Being on the Junior Varsity baseball team means that players can't always play full games. That can be a little disappointing, especially when a game of baseball can be turned around at any time. Overall, the J.V.'s had a good season of 7-8, and except for one game, played good baseball.

As with all Skyline sports, the J.V.'s were being broken into the Skyline system of winning. There was good talent on the team. This should be an asset to thevarsity next year.

Inconsistency plagues golfers

Skyline's golf team struggled through a slow start this year, with inconsistent play from all team members. The team consistently finished fourth in the Gem State Conference meets. The players practiced at their home course, Pinecrest, and received several tips from the pros there. By the time District Tournament rolled around, the golfers were ready to play as a team. They beat Idaho Falls for only the second time in fifteen years. The team was led by tournament medalist Andy Deiro. By winning the district meet, the team qualified for the state tournament in Twin Falls. The state tournament was a two-day event, but only the top four teams were able to stay and play the second day. Inconsistency again plagued the Skyline golfers and they finished eighth in a field of ten. Although the season had a disappointing finish, a strong team can be expected next year. They will be led by all-conference golfer Ryan Cherry and upcoming juniors Billy Carter and Russel Young. All three of these golfers got a lot of experience in tournament play this year and should aid lowering the team's scores next year.

Tennis team makes strong improvements

Skyline's tennis teams improved a great deal over the past 4 seasons while being coached by K.C. Jones. Although their record was 4-7-1, the team was within 2 matches in 5 of their 7 losses. The team had a very tough schedule which included all A-1 schools except Madison. Madison finished second in the A-2 state tournament so they were no easy competition either. At the end of the season there was a total of 9 individuals with winning records which included a district champion and a district runner up. Sarah Laffel was district runner up in girls' singles, but she had a flawless regular season record, losing in tournament play only. Gretchen Meikle did not have as good a record as Laffel, but she did manage to beat her for the district championship. Coach K.C. Jon is looking forward to a better team and better record next year with the he of these two standouts. Seventeen of t lettering tennis players, out of 24 on t team, will be back next year. Twelve these players are freshmen or soph mores, which makes for a promising ou look for the tennis team.

Throughout the year, Skyline athletes were recognized by selection to All-State, All-Gem State Conference and All-District 6 teams. By spending their time perfecting athletic skills, these students helped to keep Skyline's outstanding tradition of excellence in sports. On these two pages are the Grizzly students who were picked as All-State or First Team All-Gem State Conference athletes. Unfortunately, there is not enough space to include other honors such as second team conference or All-District 6 teams. We do, however, congratulate all of these Skyline athletes who attained such awards. Another way in which ahtletes were recognized was through athletic sholarships to colleges and universities. We wish these graduating seniors the best of luck in their college athletic careers, and we thank them for their contributions to the Grizzly pride and spirit. The honors which all of these athletes have received were well deserved and we hope to have similar outstanding athletes in the future.

TIME OUT

Although school is an important part of a student life, there is also a part outside of the classroom. This part of life involves mingling with people rather than the books they associate with in the classroom.

Skyline provides activities to occupy time in which students otherwise might remain idle. Some of these activities are scheduled during school time. Assemblies build students' spirit and take place during school hours as do intramurals, which provide a chance for all students to participate in sports.

Near the end of the graduating seniors' time at Skyline, the school organizes activities for them to spend some special time together. These activities include a sneak, a luncheon, senior sob, and commencement dance. By organizing such activities, the school shows an important interest in the students. This interest stretches beyond education. Administrators see the need for a balance between time for learning and time for fun.

FOR FUN

Showing individuality during year

As Skyline's doors opened on August 28 for the 1982-83 school year, returning students enjoyed sharing notes on their summertime activities. Students were also excited to see old friends and make new acquaintances.

To break the monotony and boredom after the newness of another year had worn off, students found various ways to express their individuality. Whether roaming the classroom, out in the halls, or away from school environment, the candid photographer seemed to be able to find some likely victim for an unsuspecting snapshot.

Seniors triumph in competitions

Homecoming activities started off with a station wagon stuff on Monday. The sophomores won by stuffing 42 students into the wagon [with a little help from the seniors].

Tuesday the cheerleaders held a pyramid-buidling contest which the seniors won with two layers. Wednesday night the classes decorated their spirit wall for Thursday.

Thursday was Skit Morning. Sophomores' presentation was based on a "55-85 Love Affair." The juniors were next with "In the Beginning," and "Grizz Lightin'." Last were the seniors with "The Night Before Homecoming." Seniors won both the wall and skit competitions.

Lisa Andrus was second attendant; Jennifer Crapo, first; and Crystal Taylor was Sophomore Duchess. For Junior Princess, Becky Daw was second attendant; Lynette Andrus, first; and Laura Erickson was Princess. For Homecoming Queen, second attendant was Sue Lewis, first, Nikki Lange; Queen for 1982 was Julie Bradburn.

Thursday afternoon was the Homecoming Parade. Seniors, in the opinion of the judges, had the best float.

Friday was the game against Minico. Skyline won by a score of 19-8.

Saturday night was the Homecoming Dance in the Student Center from 9 until 12. During intermission, seniors received the Sweepstakes Trophy, with juniors in second and sophomores in third.

Skits become a.m. activity

This year's homecoming endured a change of tradition. Instead of the annual Skit Night, which was held in the Civic Auditorium, Skyline students witnessed the first Skit Morning assembly in the Skyline gym. This change occurred because of an incident last year in which someone lit several firecrackers during Skit Night.

Included in the year's assembly were the spirit wall and skit competitions between the classes. Homecoming Royalty was also announced at this time.

The Master of Ceremonies was Mr. Kent Marboe. Coach Dale Guilford served as the guest speaker and gave the students a pep talk of school pride.

Sophomores began the skit competition with their " '55-'85 Love Affair," chosen to correspond with the homecoming theme, "Only Time Will Tell." Juniors then picked up the action with "Father Time." Seniors concluded with their presentation of "The Night Before the Big Game." Mr. Marboe completed the assembly with the announcement of Homecoming Royalty and the class competition winners.

Week's forecast: windy parade starlit dance

A rainy Thursday afternoon was the setting of the annual Homecoming Parade. Presiding as Grand Marshall was Wesley Curtis, who has been responsible for the upkeep of the grounds at Ravsten Stadium. This stadium, according to Mr. Bob Grimmett, is one of the finest high school facilities in the state. Mr. Curtis led the procession over the parade route beginning at Rhinehart Park and ending at Skyline. In the class float competition, seniors received first place, juniors claimed second, and sophomores came in third.

Saturday night's dance marked the end of Homecoming week. Girls' and Boys' Federations, who co-sponsored the week's activities, decorated the Student Center with tin-foil stars, and pastel streamers, and balloons. *Renaissance* provided music for the event.

Spirit soars; Grizz skin I.F.

Spirit Week began with the traditional dress up days. These included Blue and White Day, Jersey Day, Hawaiian Day, and 50's Day. Wednesday the cheerleaders sponsored a Spirit Breakfast of sausage, rolls, potatoes, and milk, or orange juice.

Thursday and Friday, which were 50's Day and Hawaiian Day, seemed to be the most popular. On Hawaiian Day many dressed up in grass skirts or their favorite Hawaiian shirt. At the annual bonfire that night the "I.F. Tiger" was burned and spirit soared. Friday, 50's Day, was the setting for the pep assembly, where the cheerleaders did a fifties dance and students met the "I.F. Jocks." Tension built up as the night of the big rivalry between Skyline and I.F. drew closer.

Friday night the car caravan noisily demonstrated school spirit all the way across town to the game, where we cheered our team on to victory with the final score 14-6.

Students combine talents

To provide Skyline students with the opportunity to combine their musical and dramatic talents, Skyline High School and Eagle Rock Junior High worked together for the first time to produce the musical, *The Sound of Music.*

Thirty-four students participated in the production, which was directed by Mr. Jerry Shively, vocal music director at Skyline; and Mrs. Debbie Puskas, vocal music director at Eagle Rock.

Rehearsals began on September 13 and continued three days a week for two months until the performances on November 19 and 20. Mr. Shively estimated that each member of the cast and crew put at least 150 hours into the production.

Drama puts on 'The Lottery' for students

During the week of November 15, the Skyline Shoestring Theatre performed the Lottery. The play was performed for the student body and at the District Festival in Shelley, where it received two "excellent's" and a "superior" on the judges' score sheets. Mrs. Dee Litzenberger directed the production.

The Lottery is a symbolic play about superstitious people who follow certain ancient traditions without understanding why. Every year a human sacrifice is performed with the hope that the gods will be kind to them, and they will have good crops. A lottery is held, and the person having the "winning" ticket is stoned to death by his fellow townsmen.

Assemblies allow time to show spirit

To keep Skyline's spirit the cheerleaders put on pep assemblies. The various assemblies included special speakers, Teddy Bears, skits, class competitions, and the traditional songs like the fight song and our own school song. Assemblies helped to unite the school and teams to do their best. The different teams were introduced and wished luck. Assemblies sparked enthusiasm and helped lead the teams to victory.

Assemblies are essential to aid the teams in reaching an atmosphere that will be beneficial in creating a spirit of winning. Assemblies show the teams our concern about their games and how they do. They do influence the outcome of the games.

'Silver Bells' ring at Senior Ball

Red and pink plastic streamers, snowflakes, and music by "Renaissance" set the mood for Senior Ball on December 18, 1982. Dress for the dance was formal, and the theme was "Silver Bells."

At intermission a senior octet composed of a portion of Chamber Choir performed two Christmas medlies. Appearing to announce royalty Santa Claus then presented each candidate with a stuffed stocking. Chosen as King and Queen were Mark Sutton and Tiffini Ray. First attendants were Thel Casper and Nikki Lange; second attendants were Evan Nelson and Melissa Bowen.

Skyline offers 138 courses

Six new staff members replaced personnel not returning to Skyline this last fall. Due to limited state funding and a tight budget, no new programs were added to the curriculum this year.

To help relieve the class load in the Art Department, Mrs. Dee Litzenberger became an art/drama teacher instead of filling her previous English/drama assignment.

Adding a new computer terminal in the math center and a word processor to the office practice program helped give students "hands on" experience in those courses.

Besides offfering the regular required classes, Skyline offered vocational, commercial, and communicative arts courses, which gave the students a wilde selection of 138 different courses, which provided a background for any chosen area of future specialization.

Senior comp. students had a particularly serious setback when the school library was vandalized during Thanksgiving vacation. The vandalism came at an inappropriate time, as the seniors were just beginning their research papers for senior comp. It took about 2½ weeks before the library was reopened and damage was estimated at about $5,000. The administration offered a $300 reward for any tips as to who committed the destruction, but no substantial leads were obtained.

CEP provides varied activities

In August, 1981, the Climate Enrichment Program began at Skyline. The idea for CEP was originated by Mr. Jim Lewis, science teacher and basketball coach, and approved by the School Board. According to the student handbook, "Grizzly Hints," CEP was established "to provide a setting in which every student at Skyline High School will have an opportunity to improve or increase his or her positive self-image without interrupting the learning experience."

Monday through Friday, this half-hour period has been used to accomodate various activities including assemblies, club meetings, and homeroom. During the past two years of CEP's existence, however, many students have chosen to simply use the class as a study hall.

Some controversy has arisen concerning CEP due to excessive sluffing. The attendance problem began because, although roll was taken and a grade was given, students received no credit for CEP. Several rumors began circulating about the abolishment of CEP, but, after a January faculty board meeting, those rumors were put to rest when Mr. Bigelow, Skyline principal, said that CEP would be improved rather than eliminated.

Girls foot bill for a change

Skyline girls treated their guys to an evening out on February 18 at the annual Girls' Choice dance. The theme of the dance, which was sponsored by Dance Club, was "Truly." During intermission Mike Hinckley sang the theme song. Throughout the evening, couples could visit a marriage booth where Mr. Vince Howard married them for $1. Marriages were "valid" until 2 a. m. Craig Whitbeck provided taped music.

"Our Man" was Jim Newbold. His attendants were David Wood and Stan Rau. Darren McGary was chosen to be "The Man." Mike Hinckley and Matt Molen were his attendants. Selected as "A Man" was Scott Hexum with John Witbeck and Mike Hall as his attendants.

Professionals share skills, knowledge

During the '82-83 school year, many professionals visited Skyline. They came to inform the students about colleges, careers, and subjects pertaining to their classes.

Career Day was set aside to educate the students about careers they felt they might go into after high school. They chose two out of the forty-one classes offered.

Higher Education Day was planned for the graduating seniors. They also chose two classes to go to. A representative from one of Idaho's colleges spoke to them about the colleges' variety of programs and activities.

Many classroom guests also lectured to Skyline students. They explained their philosophies and shared their experiences on social Darwinism, mountainmen, art and business skills, and many other subjects.

The results of the Needs Assesment Survey that was administered last fall revealed that the students' top priority was to know more about career and college opportunities. By having these professionals visit Skyline the administration were attempting to fulfill this need.

Hop reverts to boys' choice

This year, Sophomore Hop changed from girl's choice to boy's choice The dance was held on the evening of March 12 in the Student Center from 9 to 12. During intermission, Terry Groth and Julie Gosswiller sang the theme song, which was "You and I." Rovalty was then announced. Scott Hanson and Cristie Cook were crowned King and Queen, with their 1st attendants being Jeff Burtenshaw and Ellyn Owens; and 2nd attendants, Troy Anderson and Lisa Keating. Camera records 'free time' activities

Probably the most popular way students utilized their extra minutes was by clowning around with friends. With spring just around the corner, students became restless and resorted to different ways to break the monotony. The photographer had little trouble finding people who were anxious to have their activities captured as part of the history recorded within these pages. Whatever students chose to do, it was all an essential part of Skyline High School.

Various events usher in spring

Although the arrival of spring in Idaho is not always accompanied by warm weather, it is always ushered in by a variety of activities. This year's activities included competitions, musical and dramatic productions, and club events.

Teddy Bears had their chance to compete on March 18 and 19 in the Intermountain Drill Team contest. With their routine "Flame Thrower," the Teds captured first place in show for their division and third place in the costume event.

Members of the music department found themselves busy in the spring with several performances and festivals. March 24 the Skyline bands participated in a jazz festival. A total of fourteen bands took part in the event. The best band of each division then performed that night in a concert which featured the Roger Pemberton Quintet from Chicago. The following week, the choirs performed in the 6th District Choir Festival. A total of fourteen schools participated. April 4, the Skyline High School Chamber Choir departed for the Northwest Music Educators' Convention in Seattle. The choir appeared by invitation and was one of 4 choirs from six states selected to sing. A number of bands and orchestras were also invited to perform.

Drama had its place in the limelight, too. April 14-16, the district musical, "The Wizard of Oz," was presented by students of all ages in the district. Then the Skyline Shoestring Theatre performed its production of "You Can't take it With You" on April 19-21.

Another highlight of the season was the annual Donkey Basketball game. The game served as a fund-raiser for FFA. Several teams of five competed. The teams were composed of business people of the community or FFA members. The business community claimed honors this year.

Several other events, including a spring dance, took place. Perhaps warm weather is not a vital part of spring at Skyline High School, but a wide variety of activities is imperative.

Intramural sports attract interest

Intramurals for 1982-'83 received a large amount of participation. The year began with volleyball in the fall.

Winter intramurals attracted a large amount of interest. The "Old-Timers" were victorious in basketball. Intramural ping-pong's champion was Giai Ngo, who claimed first place out of the 23 contenders. Mike Fish received second place. The top six players were placed on a school team to compete with other schools.

Mike Arrington, coordinator of intramural sports, also attempted to add several other sports, including dodgeball, frisbee football, flag football, and coed softball, to the program.

In the championship game, *Brett Spaulding* goes for a lay-up against the Old-Timers.

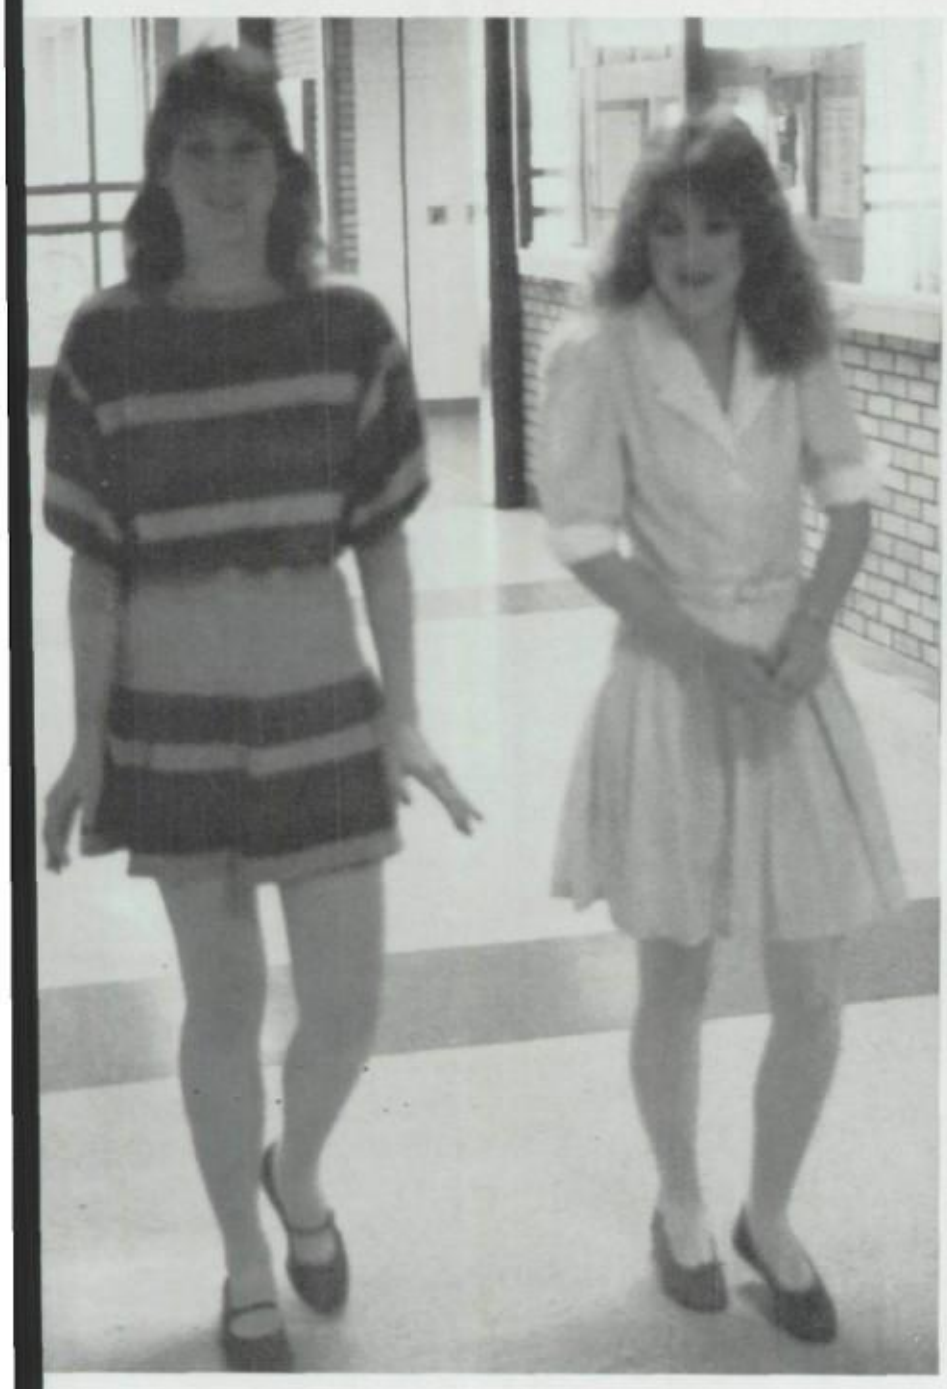
Students keep up with fads

Skyline students kept up with the times. Wearing prairie skirts, OP shirts, mini-skirts, or vans — all helped make the school year a little bit more exciting. Some students kept warm by wearing sweatshirts, while some girls dressed up by wearing their tuxedo shirts.

Some students liked to keep up with the fashions and others liked to do their own thing.

Posing for the camera in their "Ocean Pacific" shirts are *Morris Argyle, Mike Whyte, Regina Bailey, Ken Batemen,* and *Chris Barnes.*
Sweatshirts being the most comfortable thing to wear, is shown by *Lucille Brizzee.*
Getting down in the halls in their "Izods" are *Jackie Stosich, Jill Gardner,* and *Heidi Hansen.*



Showing off her praire skirt and boots is *Becky Daw.*
"Vans" became the most popular shoe to wear this year.
Spacing off in her tuxedo shirt, is *Suzie Smith.*
Wearing miniskirts became "the in thing to wear" as shown by *Katrina Stokes* and *Lisa Ker.*

Time for creativity

The Day is Finally Here

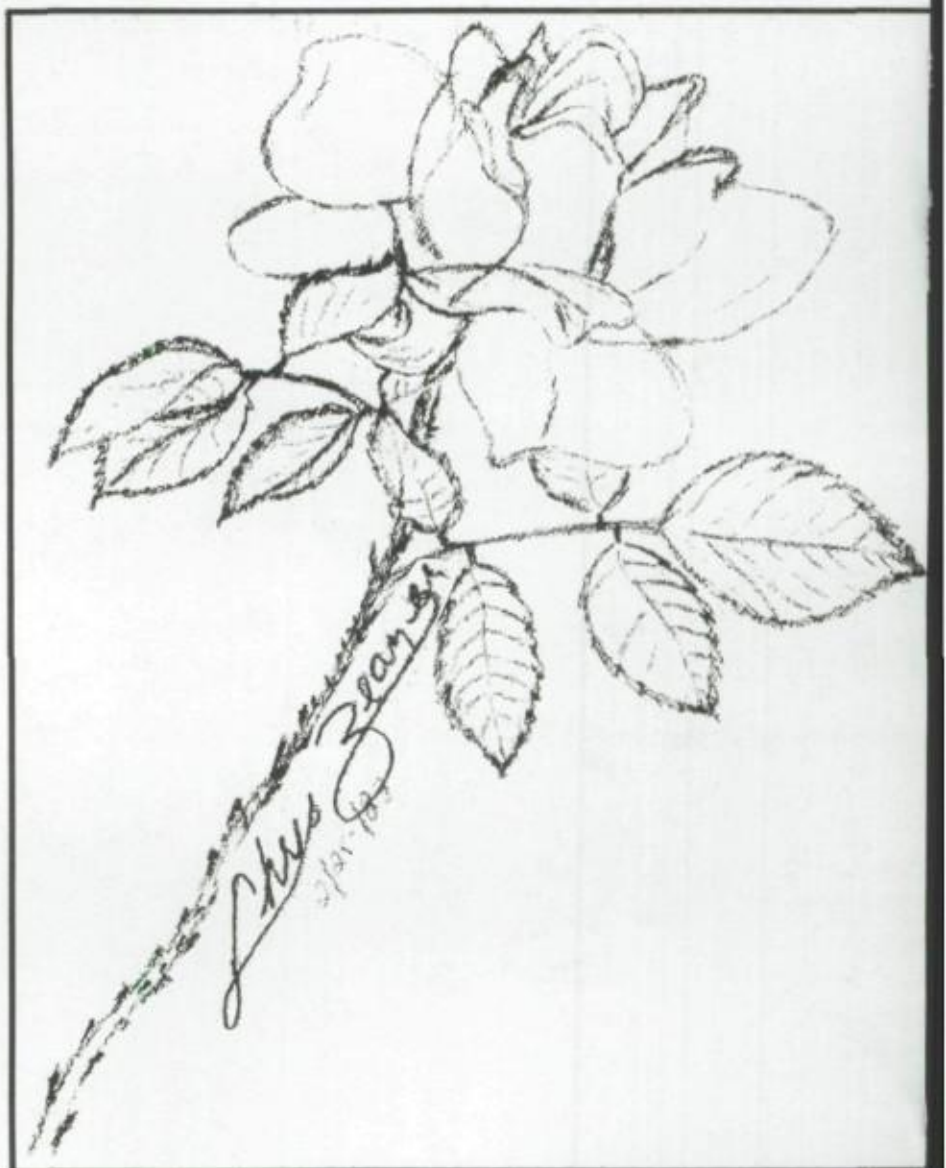
The day is finally here
When we have to say goodbye.
All of our lives are filled with fear
But we really don't know why.

We've struggled with one another
To help our dreams come true.
And fought against each other
To win what we thought we had to.

We're all going different ways
To lead many different lives.
Some of us will have children to raise.
Some won't even become husbands or wives.

We may never see each other again
But the memories will remain
Of how it was and how it should have been
And before long we'll start to feel the pain.

Anne McDaniel

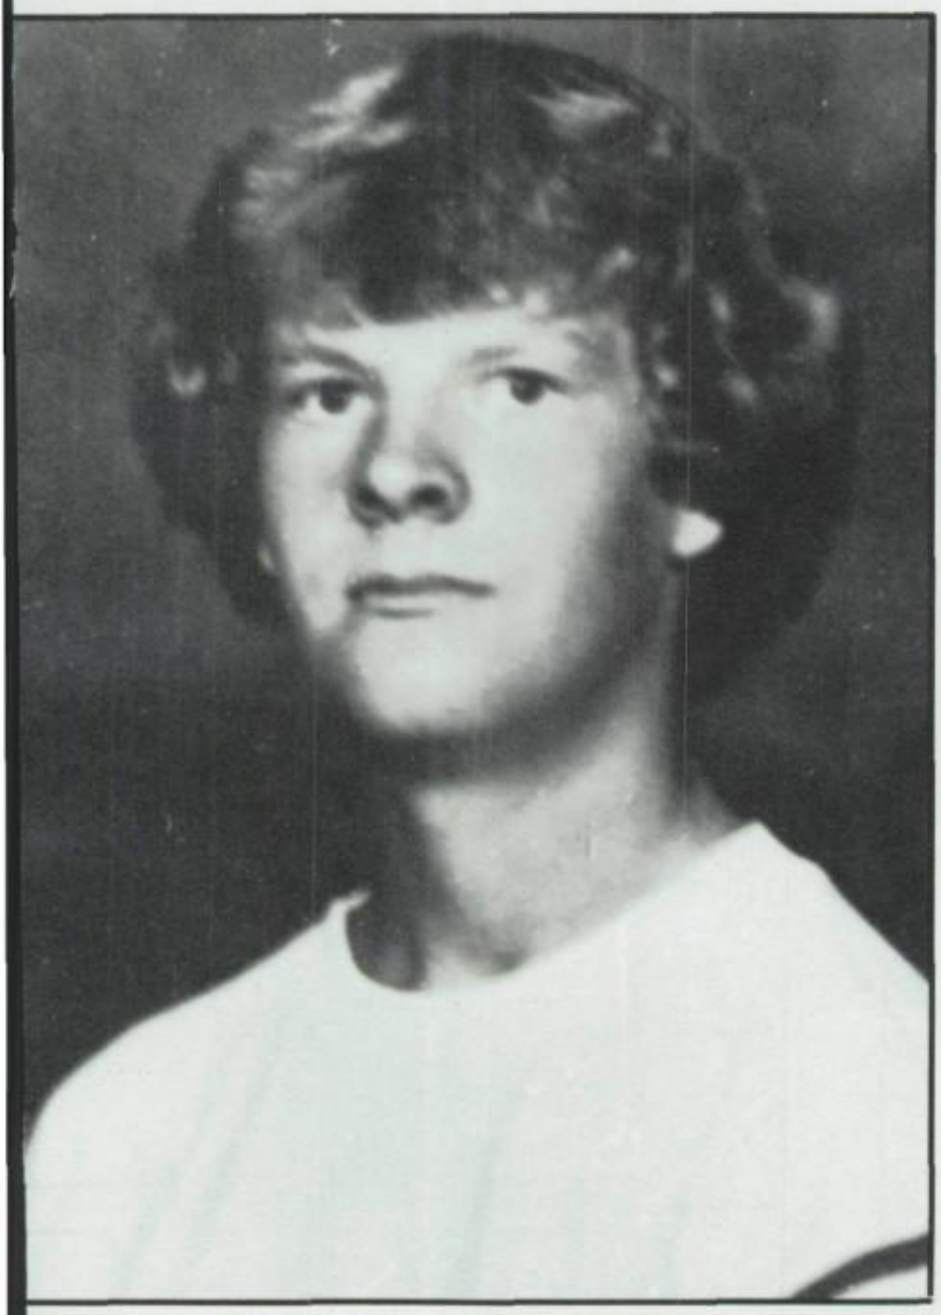


Pages of Time

by Chris Leibentahl

Someday, though it seems far away,
We'll think back on special times,
A magic dance, a magic day,
The golden days of our youth,
And the pain of going from child to adult,
And learning the truth.
And when we turn back the pages of our yearbooks,
We'll turn back in time,
And remember our friends as each one looks,
In those magic pages of the past,
We'll find flowers pressed and pictures taken,
Saved to make memories of the dance last.
And through the tears,
We'll turn back the pages of time,
To younger days, and golden years.

In memoriam



In Memory of Michael Price

MICHAEL BLAIN PRICE was born on September 19, 1966, and died on October 5, 1982, in a tragic car accident. He was born in Blackfoot, Idaho, to Donald and Shirley Price.

He attended Groveland, Blackfoot, and Idaho Falls schools. At the time of his death, he was attending Skyline High School as a sophomore. He was a member of the band and was interested in art and ceramics.

Everytime...

Everytime I think of you,
I feel so sad.
To think you have
gone away
and left me all alone.
I remember...
all the things you used to say
to help ease the pain
or to give a caring word,
or a cheerful hug and kiss
to make my day.
I still remember...that day
you said good-bye.
But you said, "Don't worry,
I'll be all right;
this is the best day of my life."
for that was the day
it really was good-bye.
You've been gone for
several months now
the pain is still there.
Everytime I think
of you, I wish you were
still here; in a way I guess you are.
But, you see, Everytime seems
all the time to me.

by Lauri Oar

At midnight I walked
by the murmuring sea, and
spoke to the pearl moon.

The seabird screams, for
on its solitary flight,
the wind will answer.

Dawn finds me alone;
only footprints in the sand
have followed me here.

Willkommen to German students

March 19, at 2:05 p. m., 28 German exchange students arrived in Idaho Falls from Tettnang, West Germany. Twenty-five students came to Skyline and the remaining 3 went to Idaho Falls High School.

March 22, at the International Dinner, the German exchange students sang several songs, including their national anthem. Guenter Bok, their adviser, translated into English and also gave a speech.

Many trips, including snowmobiling in Island Park, a tour of Craters of the Moon, an INEL tour, going to the ISU Language Fair, and a trip to the theatre to see "Tootsie were on the agenda.

The exchange students left April 14 for their return trip to West Germany after staying here for 4 weeks.

Skyline German students visited West Germany during the last part of May and most of June, many staying with the same students whom they had hosted here. Frau Rippel and several of the Skyline students' parents accompanied the Skyline students to Germany.

'It Might Be You'

Yellow and white decorations created a colorful atmosphere for the annual Junior Prom dance held April 9. The theme of the dance was "It Might Be You." Music was provided by the band, ***Renaissance.*** Unfortunately, only a small number of students attended the dance. Refreshments of cake and punch were served to those who were present.

During intermission Junior Class President Susan Baranick announced royalty. The Class of '84 selected Len Wright and Eilene Harwood as King and Queen, Mike Whyte and Christine Barnes as 1st attendants, and Doug McGary and Lucille Brizzee as 2nd attendants.

Installation concludes campaigning

After witnessing two weeks of campaigning, students cast their votes for student body officers for 1983-'84 on April 21, 1983. Speeches, debates, and a preliminary election were held prior to the final elections. Most of the candidates were members of either the BLT (Better Leaders for Tommorrow) party, or the TOGA (Tomorrow's Officers Go All-out) party.

In their last official function, student body officers of 1982-'83 announced the winners of the elections at an Installation Assembly on April 22. The new student body officers were Darren McGary, president; Russell Taylor, vice-president; Kris Clark, cheerqueen; Ronda Goin, secretary; Julie Jensen, historian; Brent McNeely, business manager; Chris Graves, public relations director; and Johanne Palmgren and Angie Smith, school board representatives.

Seniors unite for fun at bash, sneak

Taking the place of Senior Luncheon, "Grad Bash" was a big success. Many seniors attended to enjoy one of their last get togethers. The evening began with a talk from Senior Class Adviser Mrs. Sue Mousseau. After dinner, the winners of the Senior Survey awards were announced, and awards were given. The Grads spent the rest of the evening dancing to the taped music by David Frei. Many seniors commented that they enjoyed having a "Grad Bash" and preferred it over a Senior Luncheon.

On May 17 at 6 a.m., five bus loads full of anxious seniors "Snuck" to Lagoon for the annual Senior Sneak. After a long, three-hour bus ride, they finally arrived. Despite threatening weather forcasts, the seniors were surprised with warm but breezy weather. The Grads of '83 spent the rest of the day enjoying rides, playing games, eating lunch, and having a good time. Exhausted, they arrived back in Idaho Falls around 9:30 p.m.

Many seniors take time enjoy their lunch at Senior Sneak.
Enjoying the Jet Star 2 are *Kathy Baird, Heidi Hansen, Melissa Bowen,* and *Jill Gardner.*

'I Won't Hold You Back'

Saturday, May 21 was the date for the Commencement Dance. The dance lasted from 9 until midnight and was held in the Student Center. It was sponsored by Girls' and Boys' Federations. Harts by Leo took pictures.

The Student Center was adorned in the colors of pink, purple, lavendar, and white. Under colored balloons and a draped ceiling, students danced to the music of ***Renaissance.***

During intermission, Doug and Julene Steel and Jill Bingham sang the theme song, "I Won't Hold You Back." Then the seniors and their dates danced to the song "Old and Wise." Approximately 200 hundred couples attended the traditional last dance of the year.

Seniors reminisce

Members of the Class of 1983 presented their Senior Sob Assembly on May 23. Emcee was Coach Ron Perrenoud.

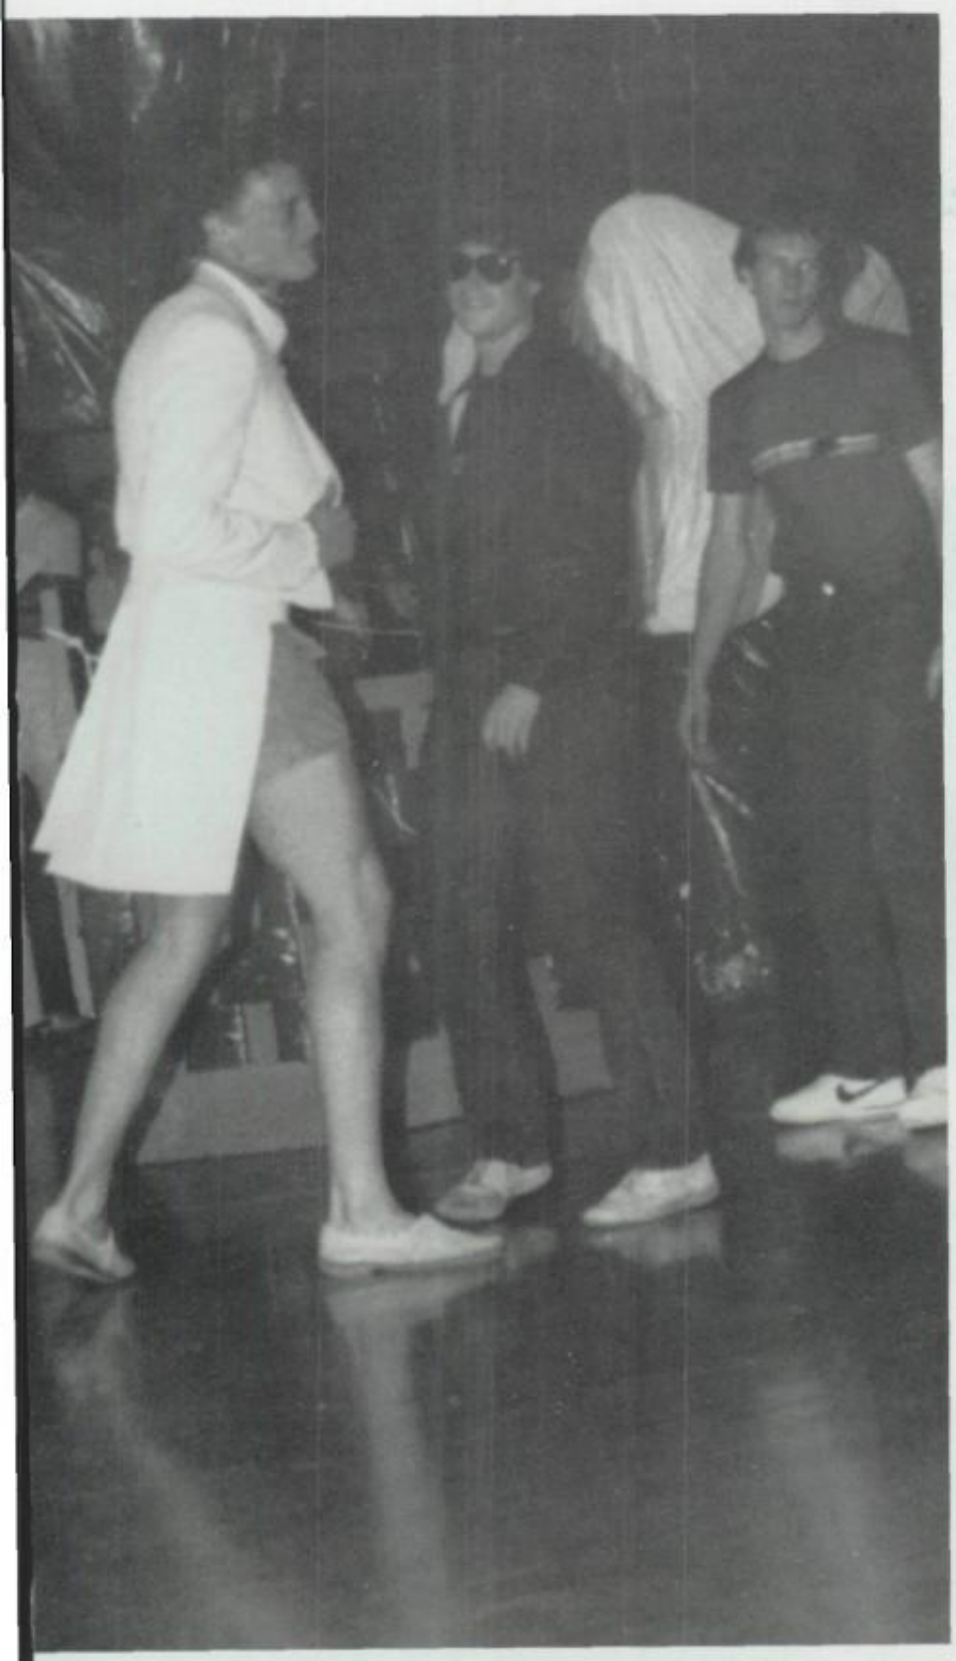
Introduction of all the graduates was followed by the Senior Class' "Last Will and Testament" declared by Mike Marboe. Julene Steel and Susan Hatch then sang "Sail On," the theme of the assembly.

Jeff Hoover and Karen Mickelsen introduced the program for the sophomore year. This included the announcement of officers, a skit by the cheerleaders, and Mike Bearden singing "Keep on Loving You," the 1980-81 Sophomore Hop theme song.

Mike Marboe and Kathy Baird introduced the program for the seniors' junior year. Some of the highlights were the Senior Teddy Bears' dance to "Heavy Metal," Jeff Hoover and Becky Rigby singing "Suddenly," a final performance from the F-Brigade, and a routine by "Highland's Ballerinas." Julie Bradburn and Jill Holmgren then sang the 1981-82 Junior Prom theme song "More Than Just the Two of Us."

Finally, the graduates' final year was announced by Larry Pratt and Heidi Hansen. The homecoming theme song, "Only Time Will Tell," was sung by Julie Bradburn amd Jill Holmgren. The officers were announced and the senior cheerleaders gave their final cheers, which included "Let's Rock." Anita Wages and Mike Bearden sang "What's Forever For." A tribute was made by Celeste Knight to the married and engaged couples. This was followed by the dedication of the Senior Sob Assembly by Tiffini Ray to the graduating seniors and their future. The homecoming and "Mr. District 6" Royalty then took their last reigning walk. A slide presentation of the seniors' three years here at Skyline was also shown. Kristine Rigby and Evan Nelson then sang the song "We're on Our Way," which was composed and written by Kristine. The final number for the two-hour long assembly was Chamber Choir singing the school song.

Senior Teddy Bears and Cheerleaders do a dance. Singing "*Suddenly*" are *Jeff Hoover* and *Becky Rigby*. Singing the theme song, "*Sail On*," are *Susan Hatch* and *Julene Steel*.
Performing their rendition of "*Highland Ballerinas*" are *Cody Claver*, *Mark Sutton*, *Ralph Stanton*, and *Dennis Owens*.



WE'RE ON OUR WAY

Look at us, it looks like we have made it to the top.
Now that we're here, we realize that time will never stop.

We're on our way, yet trying to hold on,
It passed us by so soon, and now it's almost gone.
WE'RE ON OUR WAY.

Suddenly, everything we ever did is done,
Now that we're here, we wonder if the race is lost or won.

Here we are, standing on our rainbow,
Watching our tomorrows fade into yesterdays.
WE'RE ON OUR WAY.

It's hard to say good-bye to all those you called friend.
Knowing that you may never see or hear from them again.

Somehow we're afraid that memories will fade;
We must leave them all behind 'cause now it's our time.
WE'RE ON OUR WAY.

Here we are standing on our rainbows,
Watching our tomorrows fade into yesterdays.
WE'RE ON OUR WAY.

It's time to say good-bye,
We've learned to laugh together, now we'll cry,
We feel it slipping by, but still we try.

We're on our way, we're shooting for the sun.
We ran the race and won.

Fate says we cannot stay,
WE'RE ON OUR WAY.

Class of '83 'Sails On'

Class of '83 Baccalaureate and Commencement services featured the theme, "Sail On." The ceremonies were held on May 22 and May 25 at the Idaho Falls Civic Auditorium.

Dr. Rheim Jones, a former District 91 School Board chairman, delivered the address during Baccalaureate. The Skyline Concert Choir provided two musical numbers, and a senior octette sang the theme song.

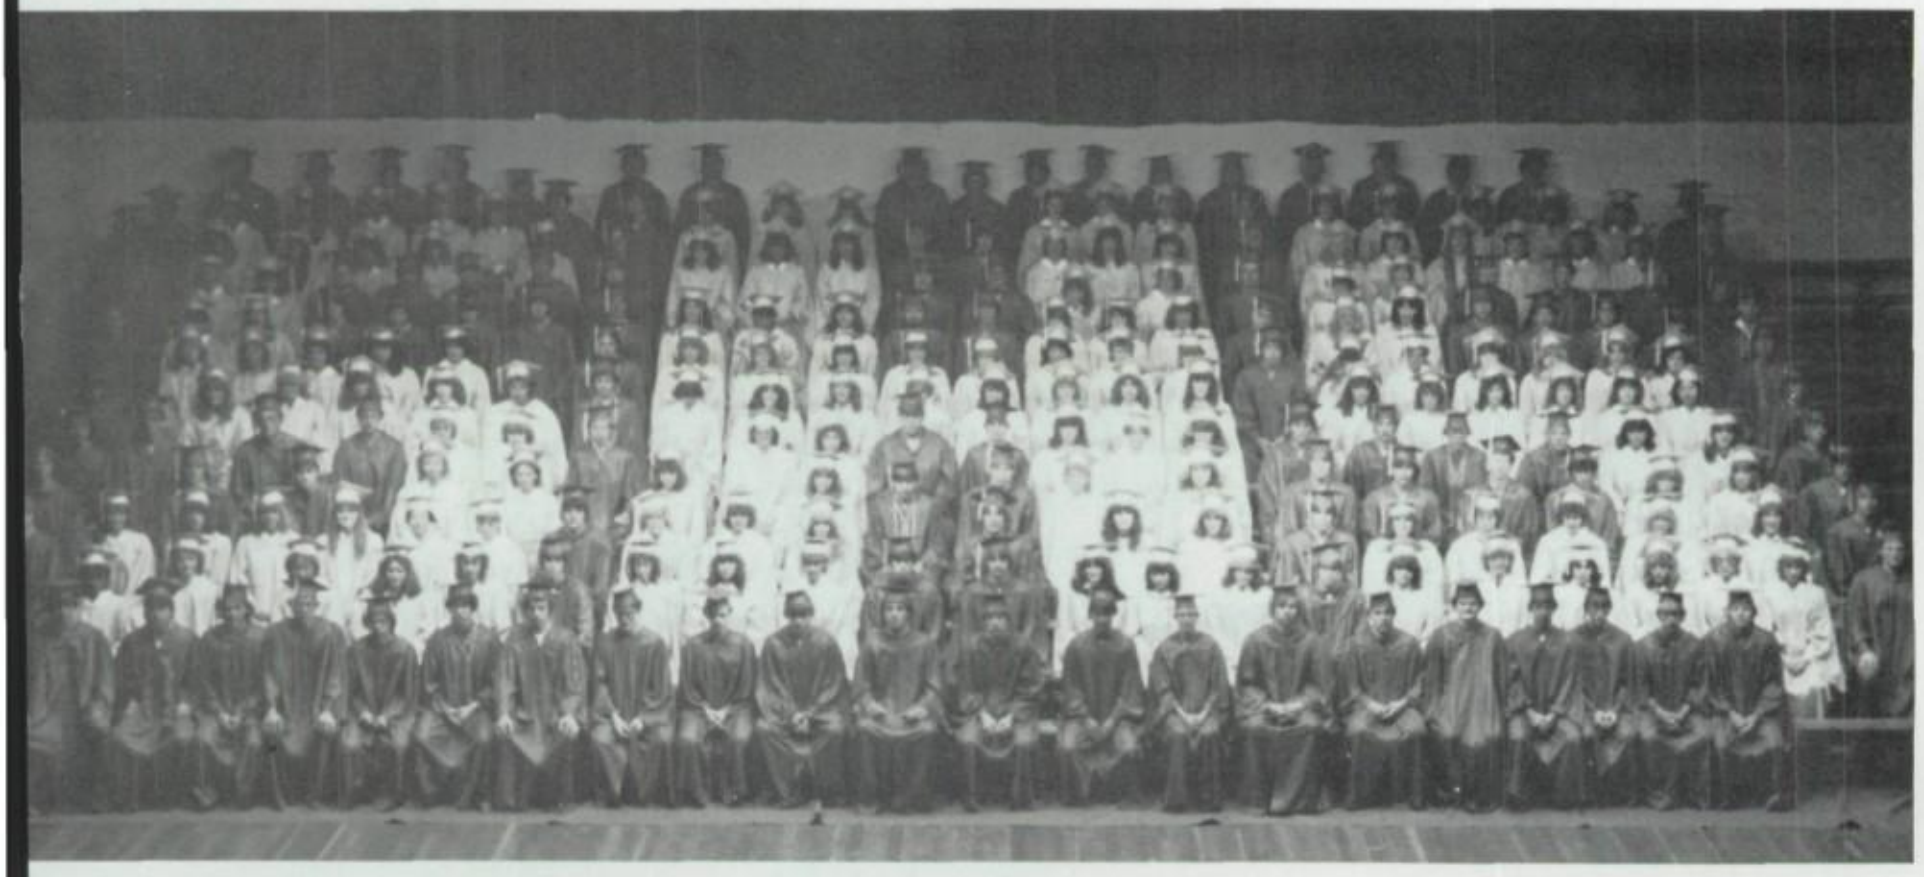
Approximately 285 Skyline seniors received their diplomas at the Commencement ceremony. The Skyline Chamber Choir sang two musical selections. Featured speakers were Dennis Keiser and Celeste Knight, two of the four class valedictorians. Other valedictorians were Mark Sutton and Susan Weber, and salutatorians were Bruce Kelsey and Laraine Wilkins. District 91 Superintendent Jerry Jacobson, Senior Class President Mark Sutton, and Skyline Principal Richard C. Bigelow also spoke at the event.

During his remarks, Mr. Bigelow paid tribute to Mr. Jerry Shively, who will be taking on the job of District 91 Coordinator of Music and Arts. Mr. Shively has been choir director at Skyline during the past 17 years. At the end of the ceremony, the Class of '83 brought their days at Skyline High School to an end by forming the letters "SHS" on the stage and singing the school song.

Valedictorians and Salutatorians for 1983: *Mark Sutton, Dennis Keiser, Bruce Kelsey, Celeste Knight, Susan Weber,* and *Laraine Wilkins.*

Senior boys line up outside the Civic Auditorium prior to Baccalaureate.

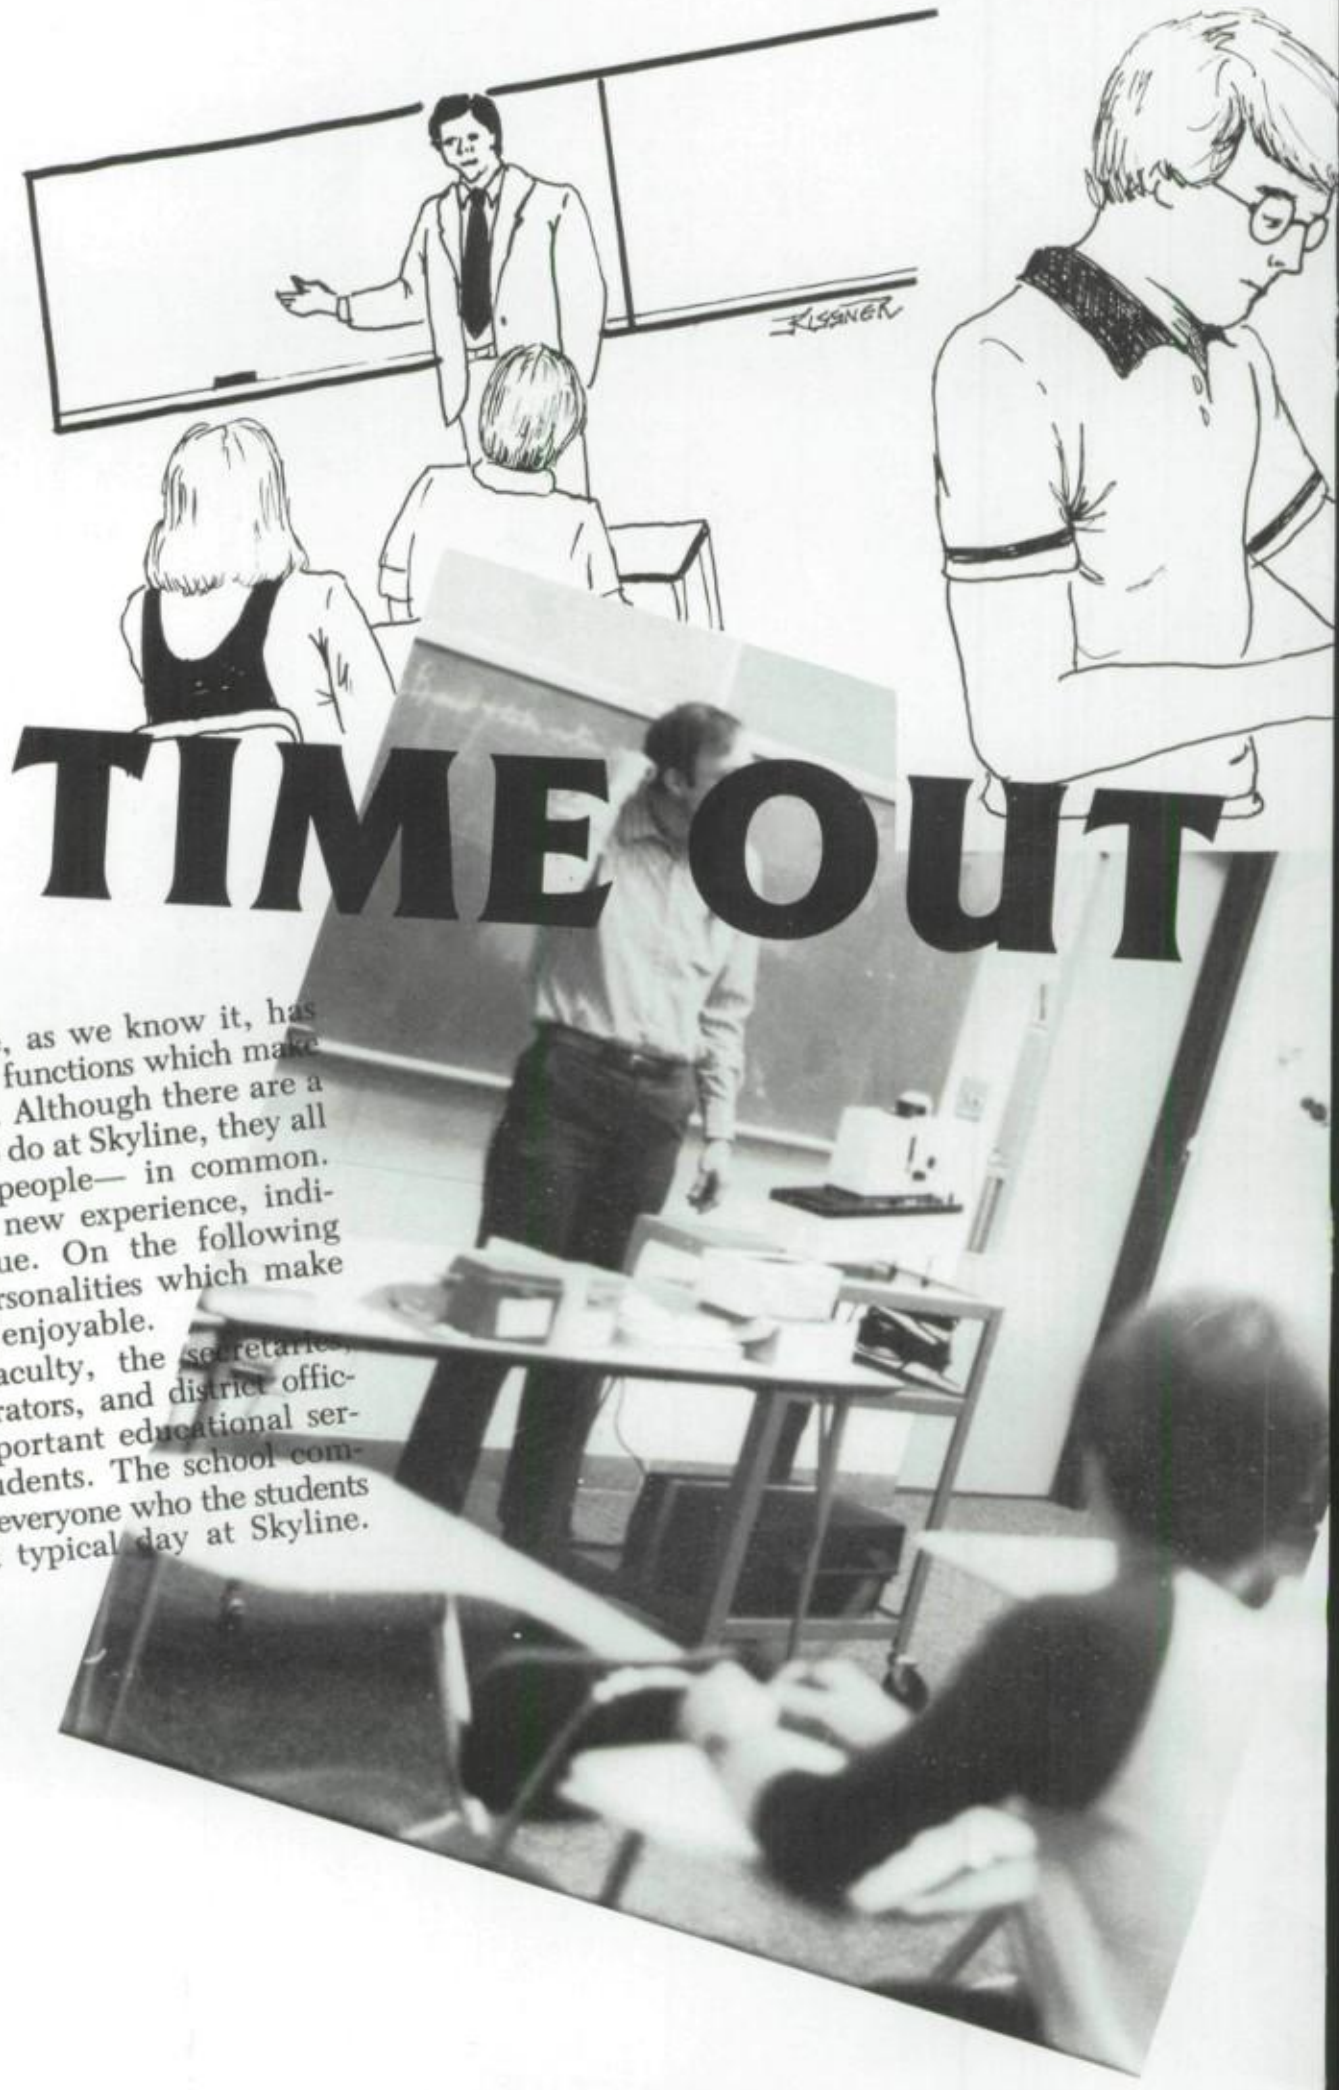
Singing "Gaelic Blessing," the 1983 Skyline Chamber Choir struggles with their emotions as they perform under the direction of Mr. Jerry Shively for the last time.



Graduate *Ann Pearson* receives her diploma and a congratulatory handshake from School Board member *Marjorie Miller.*

Valedictorian *Dennis Keiser* delivers his speech. Skyline's class of 1983.

During the Baccalaureate service, the senior octette composed of *Sue Lewis, Mike Bearden, Jill Holmgren, Jeff Hoover, Julie Bradburn, Thel Casper, Karen Mickelson,* and *Evan Nelson* sing "Sail On."



TIME OUT

Classes & Faculty

High school life, as we know it, has many activities and functions which make it less monotonous. Although there are a variety of things to do at Skyline, they all have one thing—people— in common. Each person is a new experience, individual and unique. On the following pages are the personalities which make high school times enjoyable.

Besides the faculty, the secretaries, Skyline administrators, and district officials perform important educational services for the students. The school community includes everyone who the students encounter on a typical day at Skyline.

Seniors look back at good times

As we look back over the history of the Class of 1983, we note that Jeff Hoover, Karen Mickelsen, Deanne Sargent, and Tanya Young were the Sophomore Class Officers. Gretchen Hahn, Sue Lewis, Melissa Bowen, and Nikki Lange kept spirit high as Sophomore Cheerleaders. "Making a Little Magic" during homecoming, Janet Stephens, DeAnne Sargent, and Cindy Groth reigned as Class Royalty, while sophomores took first in the float competition. "Keep on Loving You" was the theme for Sophomore Hop where Jeff Hoover and Nikki Lange reigned as King and Queen, respectively.

Time rolls on, and so does the history of the Class of 1983. Last year, Mark Sutton, Charles Clawson, Karen Mickelsen, and Emily Liljenquist served as the Junior Class Officers. "Believe it or Not" was the theme from homecoming, with juniors taking first in wall and second in sweepstakes competition. This was to be the last year for Talent Night, as fireworks blew the event out of the Civic Auditorium and Homecoming Week. Julene Steel, Sue Lewis, and Melissa Bowen graced the Homecoming Court as Junior Royalty. "More Than Just the Two of Us" danced to the music of **Goodwill** as King Jim Newbold and Queen Angela Christiansen reigned over Junior Prom.

Now, as the Class of 1983 has graduated, let's look back at a few brief notes on their history as seniors. Mark Sutton, April Hyde, Tiffini Ray, and Emily Liljenquist led the Senior Class while Jeff Hoover, Evan Nelson, Lisa Gunderson, Celeste Knight, Mike Arrington, and Tyson Bradley held the major student body postions. Four students had straight "A" grades (4.00 GPA's) and were co-valedictorians for this year's 300-member class. Julie Bradburn, Nikki Lange, and Sue Lewis represented the Senior Class in the Homecoming Court — and seniors won sweepstakes. "Only Time Will Tell" whether Talent Morning in the gym will ever replace Talent Night. Mark Sutton and Tiffini Ray, King and Queen, respectively, rang "Silver Bells" as the seniors presented their Senior Ball, traditionally held just before the Christmas holidays.

High school ended for the seniors on May 25 as they graduated from 12 years of formal education and embarked on their individual pursuits.

As they take another look backward, perhaps they will remember their years at Skyline as some of The Best of Times.

TIME OUT FOR

Each year Skyline students call on local businesses for financial help. We sell advertisements to these establishments in order to raise money. A variety of Idaho Falls businesses recognizes our position and elect to help us by purchasing advertisements.

Our sponsors make it possible to produce an annual every year. Without their support, we wouldn't be able to raise enough funds to finance the yearbook.

When someone supports you so generously it is a matter of courtesy to thank them for their efforts. We would like to extend this courtesy to these sponsors by giving them our business, and taking time out to advertise for them as well as thank them here in the Behemoth.

On behalf of the ads staff of the 1982-'83 "Behemoth," we would like to take this opportunity to thank the various businesses in the Idaho Falls area.

Without their finanacial assistance and cooperation, it would be virtually impossible to produce the yearbook annually.

Good luck to your businesses, and in the future we hope that you will enjoy the best of times.

We hope to have your continued support in the upcoming years.

Thank you,

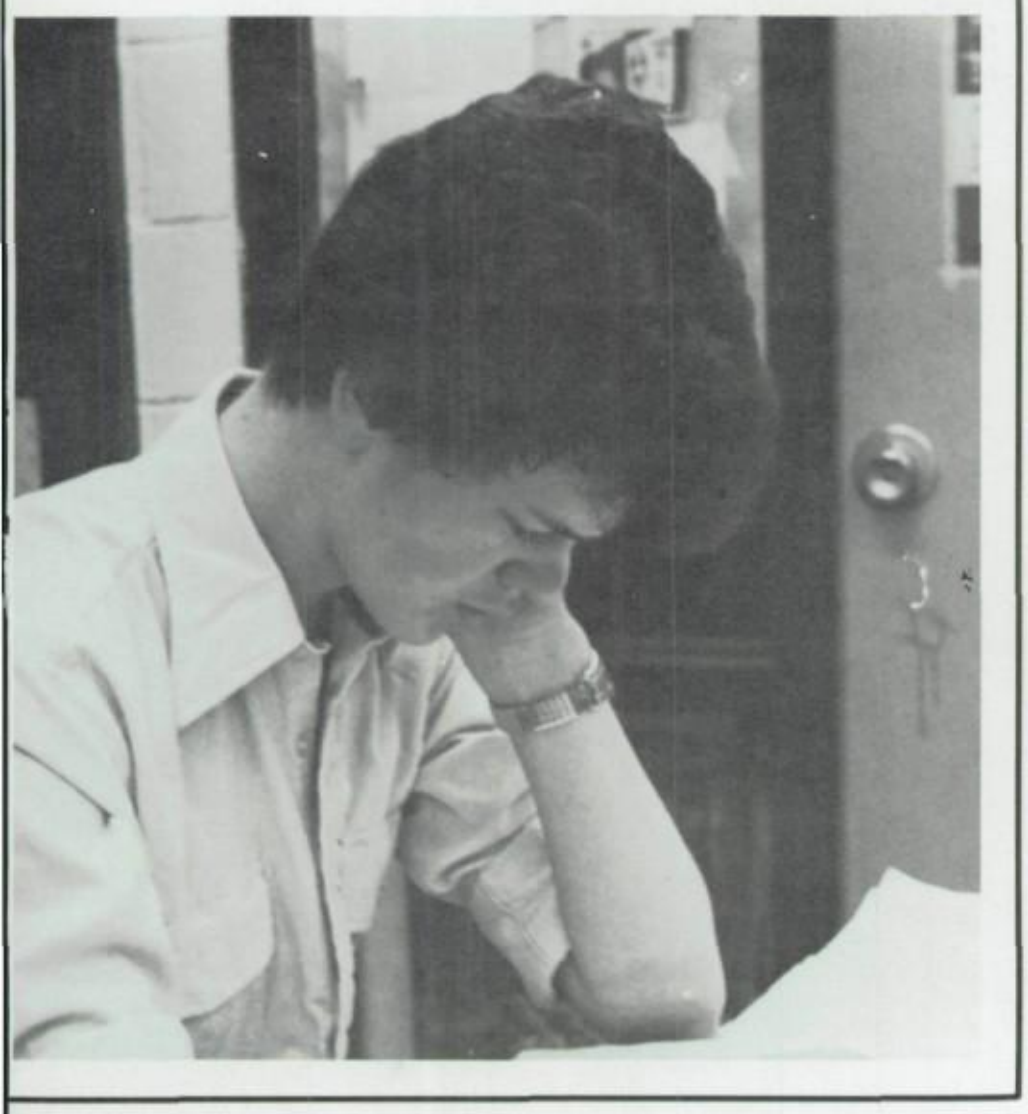
This winter scene of a solitary suburban home was photographed by *John Baxter* and printed by *James Claunch.*

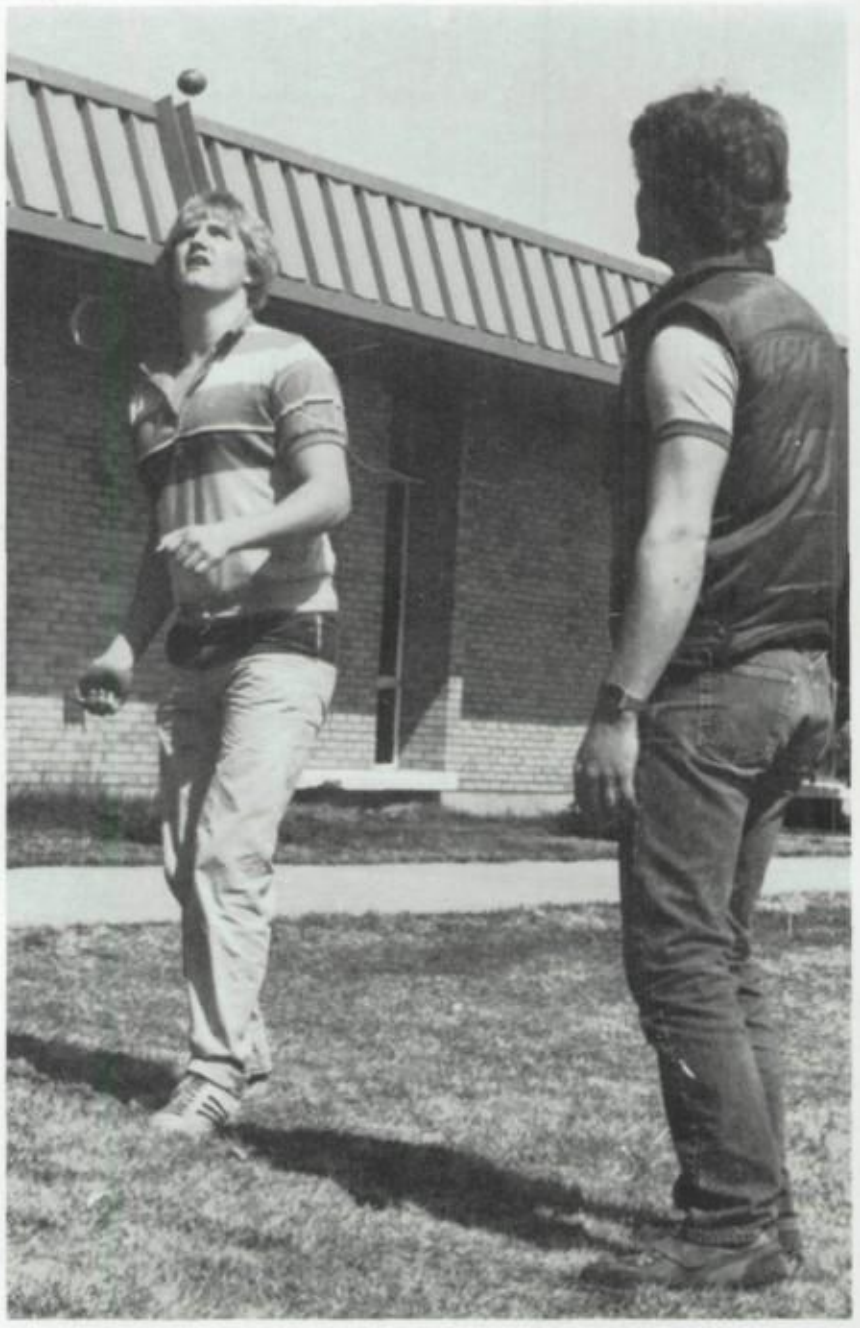
Learning takes time,
But by using our breaks
We can enjoy the time
And effort it takes.

Practice makes perfect, and that's why *Bryce Mecham* was selected for the All-Northwest Band. Preparing to excel on an exam is *Todd Romer*.
"Eating can be fun!" as *Angie Ramos* illustrates. Sophomores *Kim Ball* and *Katrina Stokes* enjoy each other's company.
Skyline Behemoth staff and outcast *Lisa Ker* attempt to reach a higher level of excellence in yearbook staff.

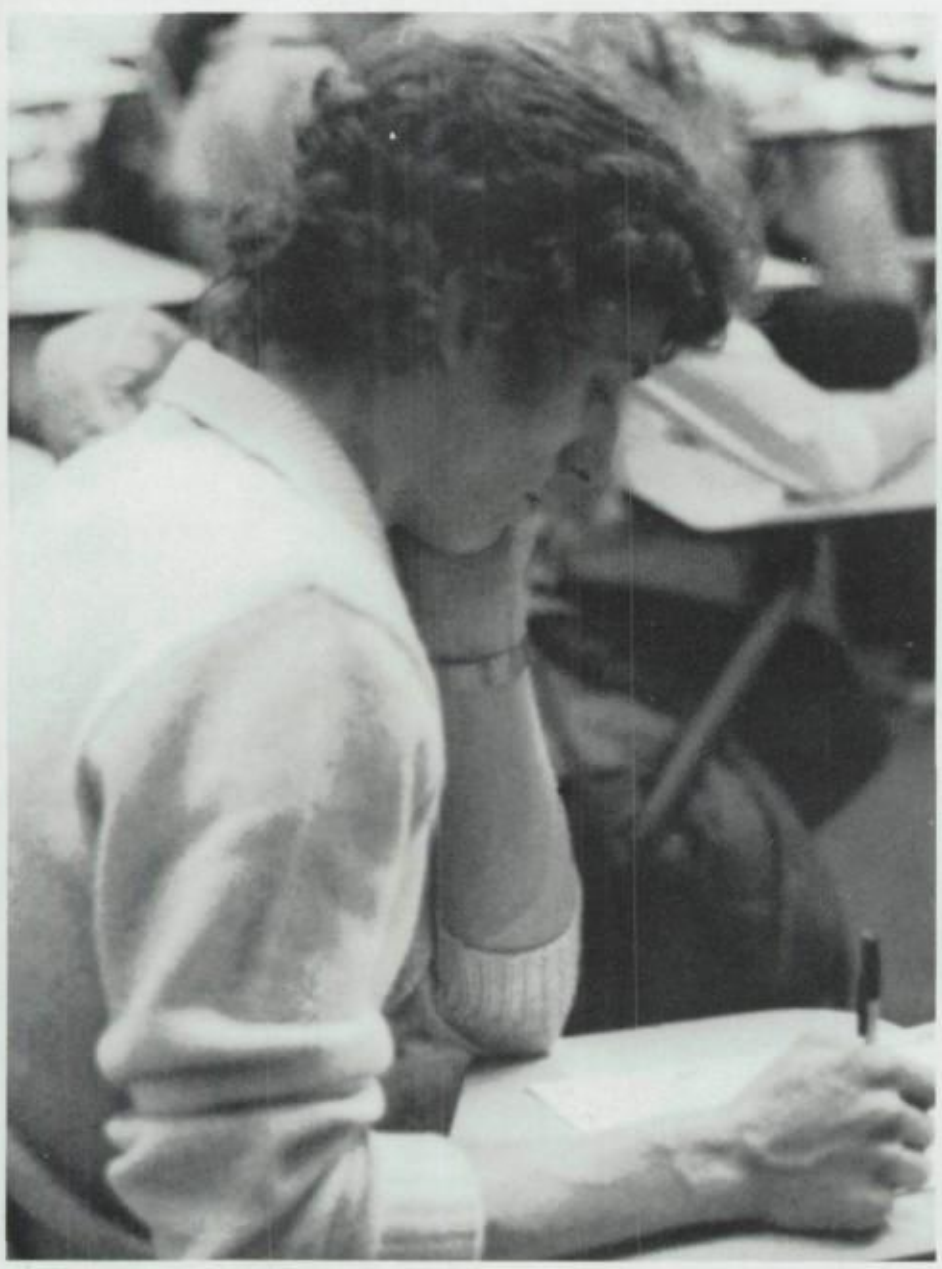


With a good attitude
And an open mind
We can easily excel
And not fall behind.

We've all shared times —
Some bad, most glad;
But the Best of Times
Are these we've had.



Concentrating on the hacky is *Nic. McFarlane.*
Basketball team members receive a gift from the Cheerleaders at a pep assembly.
Cheerleaders *Nikki Lange, Gretchen Hahn, Sue Lewis* and *Kris Clark* perform at a spring assembly.
Struggling with an exam is *Mike Grasseschi.*
Showing his milder side is *Troy Birkinbine.*



As these pages we've turned
Cherish, and try to share
Some of what we've learned
And of those who care.

So, as this year ends —
And others will go by,
May we remember friends
And times at Skyline High

Our memories of Skyline are concentrated on the people who we've known here. Each of us has had individual experiences with and among our peers here at Skyline, and that's why the Behemoth touches each of us in a special and unique way.

On behalf of the yearbook staff, I would like to say that we hope everyone has enjoyed the book. We would also like to thank Mr. Harris for the long hours he's put into making the annual. These two page are dedicated to the student body, those who've made "The Best of Times" possible.

Enjoy good times,

Steve Hinges

1983 Behemoth Editor
